

6 FIRE ENGINES FROM 4 TOWNS IN FIRE DRILL AT ORPHANAGE

Six fire engines from four communities converged on Hoffman's Orphanage Tuesday evening in a test run that was pronounced "a success from every standpoint" by firemen participating.

The test was held to determine how long it would take fire engines to reach the scene and place water on a blaze in the event a fire ever occurred at the orphanage.

Barlow arrived first, four minutes after the four companies had been given the "go ahead" signal at 6:30 o'clock by the central firemen's radio station here.

Ten minutes from Gettysburg, Bonneauville arrived at the scene at 6:38 and 30 seconds later was throwing water from a booster tank. Barlow had started to throw water from a booster tank less than two minutes after its arrival at the orphanage.

Gettysburg and Littlestown both made the run in ten minutes. Gettysburg's three trucks, the Mack pumper, rescue truck and ladder truck met the Littlestown firemen at Two Taverns.

Exactly 12 minutes after Gettysburg and Littlestown had left their fire houses in their respective communities, they had placed 1,500 feet of hose in a relay and started pumping water from a pond to the orphanage. The Littlestown truck and Gettysburg's Mack truck took part in the relay. Radio was used between the two trucks to synchronize activities.

As the drill ended, the firemen, taking advantage of the hot day, and to provide amusement for the orphans, watching the event, took part in a water battle.

Officials at the orphanage told firemen that they were "well pleased" with the speed with which the fire companies arrived and the manner in which the work was carried out at the scene.

The firemen used the test to determine just what would be needed, and disposition of forces that would be needed in the event of an actual fire at the orphanage.

PLAN SECTIONAL MEETINGS FOR FALL INSTITUTE

Nine sectional meetings of teacher groups are scheduled for the annual Adams County Teachers' Institute September 24 at Littlestown High School, Superintendent of Schools H. Edgar Riegle announced today.

Dr. A. M. Paxson, New Wilmington, Pa., director of The Economic and Business Foundation, and holder of a master's degree from Pennsylvania State University and a doctor of philosophy degree from Cornell University, will give the only speech of the day at 9:35 o'clock on the morning of September 24.

The sectional meetings, which are to continue on into the afternoon, will begin at 10 a.m. and conclude at 2:40 p.m. after which the annual meeting of the county branch of the Pennsylvania State Education Association will be held.

Seeking Consultants

Five of the sectional meetings are for secondary school teachers, one is for administrators and the three others for elementary teachers.

Riegle said that attempts are being made to have two consultants for each of the secondary group sessions and one for each of the elementary school teachers' meetings. A teacher will be selected to serve as chairman of each group.

Teachers of art and music and librarians will take part in one of the sectional meetings, another will be for teachers of foreign languages, English and the social studies, and another will be for mathematics and science teachers. The home economics, agriculture, industrial arts and business education teachers will make up another section. Health, physical education, driver education teachers and nurses will be assigned to a section on health and safety.

Elementary and high school principals and supervising principals will attend the session for administrators. The three groups of elementary teachers will be divided by grades.

CALLED TO GRASS FIRE

Littlestown firemen were called about 10:30 o'clock this morning to fight a grass fire on the Spangler farm about a mile from Littlestown along the Gettysburg Rd. The flames were stopped after about two acres were burned over.

Says Dulles Plays Into Red Hands

LONDON (P)—Former Prime Minister Clement Attlee accused U.S. Secretary of State Dulles today of "playing right into the hands of the Communists" by failing to return to the Geneva conference.

Attlee, whose Labor government first recognized the Chinese Communist government in 1950, spoke in a House of Commons foreign affairs debate.

"We must recognize that if we can get a standstill or an armistice in Indochina there remains the very difficult question of Korea," he declared.

"I believe that a settlement of this question is entirely bound up with the problem of a seat for China in the U.N. Security Council and with the problem of Formosa."

8 MOTORISTS ARE CHARGED IN METER CASES

Eight motorists will receive summons from Justice of the Peace John H. Baschore for failure to "join the \$1 club" for overtime parking and similar violations of Gettysburg's traffic ordinance.

They are: Russell Kint, Fairfield R. 1; William G. Gormley, Chambersburg St.; James A. Wetzel, Gettysburg R. 5; Mary L. Gulden, Gettysburg R. 5; John E. Slusser, Gettysburg R. 5; John DeBorde Jr., W. Water St.; Dale G. Fair, Fairfield R. 2; and Bernard J. Kuhn, Gettysburg R. 3.

Borough police, who placed the information before Justice Baschore at the direction of Burgess William G. Weaver estimated that the motorists will have to pay from ten to 15 times as much to "square themselves" with the law by appearing before the justice and paying their fines and costs as they would have had to pay had they "taken care of" the red tickets when they first received them from police.

Arrest Can Follow

The charges before the justice marked the first time in Burgess Weaver's administration that the borough has gone to the length of bringing formal charges against motorists for parking overtime, but Burgess Weaver explained that "in fairness to the motorists who paid their \$1 fines all others should pay as well. The great majority of motorists recognize that the ordinance governing the length of parking in the borough is for the benefit of

Doctor's Car Hit By Falling Branch

An auto owned by Dr. Harrison F. Harbach was damaged Tuesday afternoon when a limb fell from a tree on S. Washington St., near W. Middle.

The large limb, more than 20 feet in length, and from all appearances healthy and with heavy foliage, suddenly broke loose from near the top of the tree and dropped. Other limbs held the end of the limb so that the heavy "butt" end fell first, and passed through the crotch of the tree so that the remainder of the limb fell to the street in a slow arc. There was no wind at the time.

An aerial on Dr. Harbach's car, parked in front of his office, was bent, and the paint on his vehicle was scratched. A convertible had passed under the limb just a fraction of a second before it fell. Borough workmen removed the branch that filled half the street.

WILL COLLECT PAPER

New Oxford Boy Scout Troop No. 85, Merilee Yohe, Scoutmaster, will collect paper on Tuesday, July 20, at 8 a.m. Residents with paper are asked to tie it up and place it on the curb. In case of rain, the collection will be held next Wednesday.

MANAGER OF MAJESTIC DIES THIS MORNING

Stuart H. Shinn, 42, manager of the Majestic Theatre, died suddenly this morning at 2:45 o'clock at his home, 303 Baltimore St.

Dr. C. G. Crist, Adams County coroner, investigated and said death was due to coronary occlusion and complications.

Shinn was in his usual health when he retired about 11:20 p.m. Tuesday after concluding his duties at the theatre. The attack occurred at 2:35 a.m.

The deceased was born in Pleasantville, N. J., a son of the late Mr. and Mrs. Clifton Shinn. Prior to coming to Gettysburg six years ago, he managed theatres in Baltimore and Atlantic City. He became assistant manager of the Majestic last August and was promoted to manager in May. He was a member of the local lodge of the Loyal Order of Moose.

Surviving are his widow, the former Leila Culp, to whom he was married six years; two stepsons, Eugene Pitzer, Biglerville R. 1, and Donald Pitzer, Biglerville R. 1, and two step-grandchildren.

Funeral arrangements are incomplete.

60 LUTHERAN LAYMEN ARE EXPECTED HERE

About 60 delegates from Lutheran churches in southeastern Pennsylvania are expected on the Gettysburg College campus this week end for the ninth annual Lutheran Laymen's Retreat program to be held in the Church of the Abiding Presence. The program will extend through Saturday afternoon and evening and Sunday morning and afternoon.

The theme for the gathering will be "The Vocation of a Layman." Registration is set for 1:30 p.m. Saturday and the opening devotions will be led by Dr. Harvey D. Hoover, Gettysburg, at 2:30 p.m. At 3 o'clock there will be an address by Dr. Harold Dunkelberger of the college faculty and a question and answer period will follow.

Elect Officers Sunday

Special music and group singing will conclude the afternoon program. Dinner is scheduled for 5:30 p.m. and evening services led by Dr. Hoover at 7:30 o'clock.

Dr. Hoover will conduct morning watch at 7:30 o'clock Sunday and a breakfast fellowship is set for 8 a.m. The Rev. Francis Reinberger of the seminary faculty will conduct the Sunday School hour at 9 a.m. and a communion service will be conducted at 10:15 a.m.

On Sunday afternoon there will be a business session at 1:30 o'clock with election of officers on the agenda. Dr. Hoover will install the newly-elected officers and a final address will be delivered at 2:15 p.m. by Dr. Dunkelberger with a tour of the campus to follow.

C. L. RIFFLE, 76, FORMER STORE MANAGER DIES

Charles L. Riffle, 76, manager of the Littlestown American Store for 24 years, died at his home on W. King St. in Littlestown, this morning at 2:30 o'clock. Death followed an extended illness which had caused him to be bedfast since May.

The deceased, a well-known lodge-man and an ordained elder of the Redeemer's Evangelical-Reformed Church, Littlestown, was a son of the late Augustus and Sarah (Sheely) Riffle.

Surviving besides his widow, the former Agnes Casebeer, are three sons, Raymond O., Littlestown; Lloyd E., Akron, O., and Woodrow W., of Waynesboro; two grandchildren, and one sister, Mrs. Sadie Shull, of Hanover.

Services On Friday

As a member of the Redeemer's Church, he served several terms on the consistory. He also was affiliated with the Independent Order of Odd Fellows, Sylvania Lodge 613; the POS of A, Washington Council, and the Fraternal Order of Eagles, Littlestown Aerie 2226.

Mr. Riffle managed the American Store in Littlestown until 1949 when he retired.

Funeral services Friday at 2 p.m. from the Little Funeral Home, Littlestown, with his pastor, the Rev. Frank E. Reynolds, officiating. Burial in Mt. Carmel Cemetery, Littlestown. Friends may call at the funeral home Thursday evening from 7 to 9 o'clock.

LeRoy H. Winebrenner, borough engineer, informed borough police Tuesday that on or about July 9 a rubbish can was stolen near Redding's Supply Store, York St.

Ike Nudges Congress For OK On His Tax And Farm Programs

By ED CREAUGH

WASHINGTON (P)—President Eisenhower nudged Congress today for quick passage of his tax and farm programs.

He said the tax program would help the economy expand and create more jobs and his farm proposals would benefit the entire country and thus prove to be the best kind of politics.

Eisenhower also told a news conference that the House members who killed his health reinsurance program simply don't understand the facts of life.

Says People Lost

The American people lost, he said, when the House rejected the program 238-134.

And, Eisenhower said, he will carry on the fight for such a program as long as he is in office. In the field of foreign affairs,

Countian Is Freed From Jail Today

William McCauslin, Biglerville, R. 2, was released from the Adams County jail this morning after serving 30 days on a charge of driving while under the influence.

He had been sentenced June 14 to 60 days on the charge and ordered to pay \$100 for the use of the county and the costs. The court at that time provided for his automatic release and placement on a year's probation following expiration of 30 days in jail.

WILL ADD THREE MORE NAMES TO "HONOR ROLL"

The Honor Roll of men from Adams County who served in the armed forces during World War II is scheduled to be opened, for the first time in seven years, in the near future.

Roy A. Alexander, Adams County Director of Veterans Affairs, told the Adams County Commissioners this morning that he now has three names to be added to the roll, and as a result plans in the near future to remove the heavy plate glass frames that protect the names, to add the three to the list.

One, he said is of a countian who lost his life in World War II, but whose name was "lost" when the master sheet of names was made up for the Honor Roll.

One Name Overlooked

One name was printed on a wooden plate for inclusion when the honor roll was placed, but inadvertently was overlooked in the placing of the approximately 4,000 names. The third is a veteran of more than 20 years service, from Hanover R. D., who has called the commissioners' attention to the fact that his name is missing.

The commissioners said the work of the committee which prepared the list was "outstanding."

They had feared when the honor roll was placed in the court house hallway about seven years ago that there would be a number of county veterans "missed" in the tally of so many names.

Only the three have been reported. The two previously listed were not placed immediately in anticipation of listing other names that might have been missed.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. Robert DeGroot, Littlestown, announce the birth of a son Tuesday at the Warner Hospital.

A girl was born at the hospital today to Mr. and Mrs. Richard Cullison, Taneytown.

A daughter was born Monday to Mr. and Mrs. Robert Miller, New Oxford R. 2, at the Hanover Hospital.

MORE THAN 250 AT MEETING FOR CHURCH GROUP

More than 250 youth and adult leaders of Lutheran congregations in Central Pennsylvania are attending the third annual Assembly for Church Workers on the campus of Gettysburg College. The assembly is a one-week program of worship, study, and social activities which opened Sunday and closes Saturday.

A new feature of the 1954 assembly designates Wednesday, as Congregational Day. Caravans from neighboring congregations will bring together leaders with special service responsibilities in the congregations, such as members of altar guilds, church office secretaries, ushers, sextons, and directors of recreation.

"Town Meeting"

Members of the assembly will be called into a "Town Meeting" Wednesday evening with Dr. W. E. Tilberg, Dean of Gettysburg College, as moderator. On Thursday evening Vespers will be held in the Church of the Abiding Presence at Gettysburg Seminary and will be followed by an organ recital by Robert W. Clippinger, organist and choirmaster for the Seminary and for Grace Methodist Church, Harrisburg.

Seventeen courses relating to Bible, stewardship, evangelism, missions, church history, church music, children's work, youth work, audio-visual aids and ecumenicity are being offered.

Instructors include: Rev. George B. Ammon, Philadelphia; Rev. Charles W. Aurand, Sunbury; Robert W. Clippinger, Harrisburg; Sister (Continued on Page 6)

GIVE PRIZES IN "REC" DRESS-UP, HAT CONTESTS

Winners in the hat and dress-up show sponsored Tuesday afternoon by the Recreation Association at the Gettysburg recreation center were announced this morning by Luther I. Sachs Jr., playground manager.

Finalists in the seven classifications of the hat show were: Joan Hagerty, largest; Edna Mae Jeffcoat, smallest; Teresa Abell, most colorful; Danny King, most original; James Redding, oldest looking; Betsy Oyler, largest number, and Patty Oyler, most odd.

Competing in the dress-up show, Roland Bourdeau was most original in a black derby, glasses, and a white gown. Dressed as a hobo, Dennis Weaver was most comical. Prizes for best grouping went to Philip and Becky Frazer as Peter Pan and Tinkie Bell.

Plan Evening Contests

Jane Roth, attired in a ballet outfit, was judged the cutest entry, while the most unusual went to John Bourdeau who was dressed as a bear hunter. Radcliff Schultz won the oriental award as a China-boy, Elaine Riffle was most colonial, Ronald Redding wore the best western outfit, and Joy Fair had the "prettiest" dress—a Chinese kimono.

Winners of the various categories received prizes and all contestants were given lollipops. Three judges were: Mrs. Frank Skidmore, Mrs. Hugh McIlhenny and Mrs. Paul Ecker.

Sachs announced that the bubble gum and freckle-face contests originally scheduled for Tuesday afternoon at 2:15 o'clock, will be held in the evening of the same date at 6:45 o'clock. Prizes and lollipops will again be awarded.

REC DIRECTORS PAY \$2,000 TO SCHOOL BOARD

Directors of the Gettysburg Recreation Association Tuesday evening voted to pay the school board \$2,000 of the \$2,500 owed at the present time for recreation staff salaries at a meeting in the Engine House.

Recreation staff salaries are paid by the school board which, in turn, bills the recreation board a certain percentage. The remaining per cent is paid by the state in reimbursements to the school board.

President Guile W. Lefever, who presided, said the Department of Public Instruction announced several recent recreation code changes.

One is that professional recreation workers now are reimbursed at \$2 an hour instead of \$2.50 per hour. Another change establishes ten hours a week as the maximum time allowed a fully employed teacher to engage in recreation work. A full time recreation worker may not put in more than 30 hours per week.

Horse Show Arena

The directors passed a resolution inviting officers of the Gettysburg Riding Club to survey the possible site for a horse show arena. Appointed to a committee to work with the local horsemen were: Mahlon P. Hartzell, Jacob C. Britcher, Donald Peters, and G. W. Lefever.

The Board extended a vote of appreciation "for services rendered" during the last several months, to the Gettysburg Exchange Club, United Telephone company, Metropolitan Edison Company, C. Woody Crouse, and E. Donald Scott.

The board also expressed an (Continued on Page 8)

DAVID E. METZ EXPIRES TODAY

David E. Metz, 82, lifelong resident of Fairfield R. 1, died at 10 o'clock this morning at the Warner Hospital after an illness of several years. His wife, Laura (Bowman) Metz died three years ago.

The deceased was a son of the late William and Martha (Baldwin) Metz. He was a sawmill operator and lumberman all his life. He was a member of the Mt. Hope EUB Church.

He is survived by three children: Luther M., Roy E., and Mrs. Clyde McLaughlin, all of Fairfield R. 1, one brother, Isaac M., and one sister, S. Kathryn Metz, both of Fairfield, R. 1, and six grandchildren.

Funeral services Friday afternoon at 2 o'clock at the Allison Funeral Home, Fairfield, with Rev. Roger Burtnor, pastor of the Mt. Hope EUB Church, officiating. Burial will be in the Fairfield Union Cemetery.

Friends may call at the Allison Funeral Home Thursday evening after 7 o'clock.

At 1:30 p.m. today the mercury had climbed to 97 degrees in official thermometers at The Gettysburg Times weather station. At the same hour Tuesday the reading was 93 degrees.

July's all-time heat record for Gettysburg—105 on July 21, 1926—may be in danger today.

Tuesday's high here was 100 degrees, making it the hottest July 13 on record here in 52 years, and the forecasters are predicting high readings for today that are as much as five degrees above Tuesday's readings.

Yesterday was the hottest day in Gettysburg since last September 3 when a 101 was registered near the end of the longest, hottest heat wave Gettysburg has experienced since continuous records were begun here in 1903.

Hottest Day This Year

Tuesday was by far the hottest July 13 on record here. The nearest approach to yesterday's mark of 100 degrees for the date came in 1916 with a high of 96 degrees.

The 100-degree reading made Tuesday the hottest day so far this year and equaled a mark set by last July when the maximum was 100 degrees. The hottest day of that month was July 18.

The heat adds to the damage being caused to growing crops by the drought, farmers said.

So far this month only 0.29 inch of rain have fallen here and that is more than an inch and a half short of normal for the first half of the month.

Crops, Wells Suffer

July began with rainfall for the first six months 6.16 inches below normal.

Potatoes, sweet corn, field corn, garden crops and lawns are showing severe effects of the extended dry weather that dates from April and May which were short of rain.

Streams are low and many wells in rural areas are dry or low.

Fruitmen say no damage has been caused to apples and peaches that cannot be repaired if rains come in time but continued dry weather is expected to reduce the size of the fruit and the crop.

TO GIVE \$1,500 IN AWARDS FOR SALE DAYS HERE

Approximately \$1,500 in awards will be presented during the annual Gettysburg Sales Days this summer according to a calculation made at Tuesday night's meeting of the Retail Merchants at the Court House.

While dates have not as yet been announced for the annual summer sales event, most of Tuesday's lengthy session was devoted to discussion of plans for the annual two-day affair.

Seventy thousand tickets are being secured for distribution among the participating merchants for the event. More than 50 merchants are scheduled to take part in the sales days, and pennants, signs and posters were discussed to mark the participating stores and publicize the days.

To Give TV Sets

Advertising to acquaint the public with the "days" was discussed in some detail, with the merchants planning a complete campaign.

General discussion at the meeting indicated that the event will be one of the best in the merchant group's history, both in number of merchants participating and the extent of the bargains to be offered.

The sale is always held on a Friday and Saturday and the merchants voted not to open on Friday night of the sales days. They said previous experience showed that few people took advantage of Friday night openings in the summer—preferring instead to drive, swim, or otherwise escape the heat of the community. As a result the merchants decided to concentrate their efforts on Friday's regular hours and Saturday and Saturday evening.

Prize winners will be named on the Saturday evening of the two-day event at 9:30 p.m.

Main prizes to be awarded will be two television sets and luggage.

HISTORIAN SAYS LEGENDS LEND DRAMA, COLOR

WASHINGTON (AP)—Since Congressional investigations seem to be a favorite diversion on Capitol Hill, why not appoint a committee to look into the case of Betsy Ross?

The Army's Quartermaster Corps says it never has been able to find any record that Betsy Ross made the first American flag or, indeed, that the pretty little Quaker widow ever existed at all. The Army claims the whole Betsy Ross business is just a pretty legend. Some historians and flag authorities say the same, though they are still at a loss as to just who did design and make that first famous emblem.

No Congressional Record
Historians challenge the Ross story primarily on the grounds that the journals of Congress and other records of the period contain no mention of the flag-making.

However, most school children cling to the Betsy Ross story and this, according to Miss Helen Nicolay, historian and daughter of John Nicolay, who was Lincoln's secretary, is just about as it should be.

Miss Nicolay, who was born in 1886 in Paris while her father was American consul, says that often the legendary story built around favorite characters in history catches the spirit and drama of an occasion and gets over to the young student the essential facts of a person's character better than attempts to prove points by 20 or 30 footnotes which leave some youths cold.

Gen. George's Point
"Even if George Washington didn't cut down the cherry trees and then stand bravely to tell his father 'I cannot tell a lie,'" Miss Nicolay says, "the legendary story gets over the important facts that Washington was essentially a man of honesty, truthfulness and courage."

Miss Nicolay defends the use of legend by historians only so far as it does not alter main facts or dates. A bright, witty wife of a woman who is recovering from a heart ailment, Miss Nicolay has written numerous books, including many for young people, on the lives of Lincoln, Grant, Decatur, Hamilton, Jackson, Washington, Franklin and Jefferson. She is a noted biographer and editor of Lincoln's writings and one of her latest stories is about her own father, "Lincoln's Secretary." In 1945 she wrote "MacArthur at Bataan."

C.M. CRIDER, 75, EXPIRES TODAY

Charles M. Crider, 75, Biglerville R. 2, near Hilltown, died at the Warner Hospital this morning at 6:45 o'clock of complications. He had been a patient at the hospital for seven weeks.

A native of Franklin County, he was a son of the late Peter and Rebecca (Franciscus) Crider. He had resided in Adams County for 22 years and was a farmer most of his life. He was a member of the Mt. Calvary EUB Church.

Surviving are his wife, the former Laura Poe, to whom he had been married 54 years in March, three children: Mrs. Harold Sipe, Scotland; John Crider, Gardners; Mrs. Ray Reed, Chambersburg; six grandchildren and five great-grandchildren.

Also surviving are a brother, Ira Crider, Chambersburg, and a sister, Mrs. Harry McKee, Chambersburg. Funeral services Saturday afternoon at 1:30 o'clock from the Bender Funeral Home with the Rev. Roger Burtner officiating. Interment in Cedar Grove Cemetery, Chambersburg.

Friends may call at the funeral home Friday evening after 7 o'clock.

FR. JOHNSON BURIED TODAY

Messages of condolence from Archbishop Amleto Giovanni Cicognani, apostolic delegate to the United States, and the Most Rev. George L. Leach, bishop of Harrisburg were read at the funeral of the Rev. T. B. Johnson at Chambersburg Tuesday. Bishop Leach sent a cablegram from aboard ship while returning to America from an official visit to the Vatican.

The ancient liturgy of the Catholic Church was sung over Fr. Johnson at a solemn requiem mass signaling the end of his pastorate of 15 years at Corpus Christi Church, Chambersburg, and 47 years of priesthood. Rev. Johnson was a native of Gettysburg and served in several county parishes.

The Rt. Rev. Peter Huegal, Harrisburg, vicar general of the diocese, who was celebrant of the solemn requiem mass, said fellow priests admired the zeal and humility of Fr. Johnson, but that there would not be any sermon or eulogy in compliance with the expressed wish of the late priest.

Upward of 60 priests attended the mass. Following the service the body was removed to St. Joseph's Church, Hanover, where another mass was offered this morning at 9 o'clock. Burial was in St. Joseph's Cemetery, Hanover.

Cops Deliver Water To Drunk's Bedside

GREENVILLE, S.C. (AP)—A telephone operator called the police and said there was a woman on the line calling for help. Officers listened in, agreed it sounded bad. Four patrolmen sped to the address and found all doors locked. Entrance was gained with a pass key.

They found a drunk woman in bed with the telephone receiver off the hook. She said she was all right but wondered if the officers would get her a glass of water. They did.

HEAVY TRAFFIC
SUFFOLK, Va. (AP)—A couple of escapees took an early morning stroll. Before the excitement was over gardens had been trampled, fences broken down and the police called in. The escapees were "Blanche" and "Toby," elephants from a visiting circus.

OUR DEMOCRACY—by Mat

CARE-FREE, NOT CARE-LESS VACATIONS

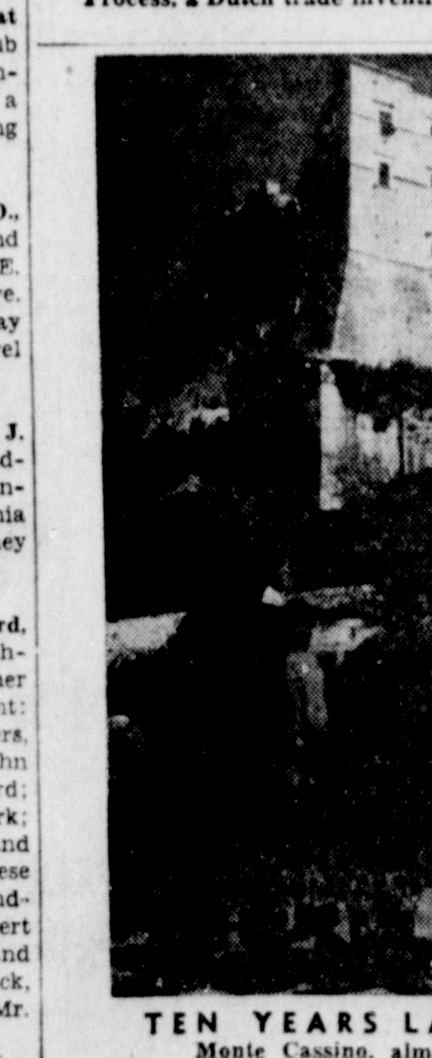

IN THE NEXT THREE MONTHS, MILLIONS OF AMERICAN FAMILIES WILL BE TAKING VACATIONS. EARNED THROUGH THE YEAR, THESE RESPIRES FROM ROUTINE CAN MEAN RECREATION—RE-CREATION.

WHETHER THE PURPOSE BE DIVERSION OR REST, VACATIONISTS CAN BE CAREFREE IF THEY HAVE BEHIND THEM A BACKLOG OF SAVINGS—AND LIFE INSURANCE. THEY CAN BE CAREFREE WITHOUT BEING CARELESS—THEY CAN DRIVE SAFELY, GUARD AGAINST FIRE, RESPECT THE SUN'S RAYS, AVOID DESTRUCTION OR LITTERING OF PUBLIC PARKS. AND, BY TAKING THINGS EASY, BOTH IN BODY AND SPIRIT, THE FAMILY WILL RETURN REFRESHED FOR THE MONTHS AHEAD. THAT'S A VACATION.

LIFE PRESERVERS—Two Dutch girls inject chemicals into cut flowers in Dusseldorf, Germany, flower shop. Process, a Dutch trade invention, keeps flowers fresh for months.

Feline Fire Alarm Possesses 28 Toes

CLAYTON, N.Y. (AP)—A gray and white cat named Muggsy has seven toes on each foot and he makes good use of them. When an electrical storm knocked down a high-tension wire outside the home of Mr. and Mrs. Cecil Baker, Muggsy's owners, the cat clawed at the blankets of Mrs. Baker's bed until she woke, saw sparks showering about the house and notified the power company.

The next night Muggsy again woke Mrs. Baker when a warehouse fire became visible from the bedroom window. Police said her phone call was their first word on the blaze.

WISE SHOPPERS READ THE TAGS

By VIVIAN BROWN
The Associated Press

The many new materials on the market have made women more tag conscious. They look for informative tags on articles to guide them in selection and maintenance of various articles, rather than querying sales people, and forgetting their advice and instructions. In informative tags supply brand name, identify style or type of item, describe color, tell what the product is made of and explain the importance of it to the potential consumer, note specifically outstanding workmanship and quality, explain the uses of the item and provide instructions for the product's care. Most times these tags give the name of the store, price of the article and approximate delivery date if the merchandise is on order.

The woman who does her laundry at home for instance wants her sheets to be durable, but she is not so interested in the weight of sheets as the woman who sends her sheets to the laundry, paying by the pound.

Don Smith Fifth In Driving Contest

Don Smith, 16-year-old Gettysburg Jaycee entry, ran into tough luck in the opening round of the Jaycee Golf Tourney at York Tuesday when a 97 nullified a second round score of 86. Previously, in a practice round, the blond Gettysburg Country Club caddy master toured the York course with an 18-hole total of 82.

Monday afternoon, Smith placed fifth in a driving contest with a 280-yard sock. Longest drive went for 295 yards.

Gettysburg Feature In Buick Magazine

"Gettysburg—The Silent Battlefield" is the title of a special Gettysburg battlefield feature that appears in the July issue of the Buick Magazine.

The article, written by Grant Heilman, is accompanied by a sketch and five photographs. Four of the photos are views of the battlefield and the fifth is a reproduction of the Sons of Veterans' "Wheatfield" float in the Fourth of July parade here in 1953. One of the "field views" shows the Water Mark with uniformed Sons of Veterans carrying rifles as they walked sentry duty there on the battle anniversary. In his article Heilman describes that sentry duty ceremony as one of the most impressive events of the anniversary celebrations.

GRADED MENU

ATLANTA (AP)—Delta Tau Delta fraternity at Emory University arranged a party menu like this:

For "A" students, T-bone steaks; for the "B" brothers, roast beef; for the "C" averages, hamburgers, and for those under "C", mush.

Each brother's date got the same fare he did — and some of the girls ate before they went to the party.

THAT'S HIS NUMBER

ROANOKE, Va. (AP)—George D. Fields has a telephone number similar to that of two important business concerns and is used to wrong numbers. When he received a call from Tokyo, Japan, at 3 a.m. he figured it was another wrong number. But it was right, only the wrong state. The party wanted the same number in Charlotte, N.C.

ATTRACTIVE BASKETS

LANSING, Mich. (AP)—A Michigan state park manager, wearied of picking up trash left by visitors who apparently couldn't find the waste baskets painted several baskets a bright orange. Visitors not only saw them, the Conservation Department reports, they promptly stole them.

COUNTERCLAIM FILED IN CRASH

A counterclaim was filed Tuesday in answer to a complaint suing for personal and property damages allegedly suffered by Dain R. Miller, R. 4, in an automobile accident March 4.

The response to the action in trespass was entered with the county prothonotary by the defendants, James C. and Catherine Brady, Abbotstown R. 1.

The counterclaim states that on March 3, at 2 p.m., James C. Brady was driving in an easterly direction on Lincoln Highway east near the Hunterstown intersection. Miller, the new charges aver, was driving south on the Hunterstown Rd. and made a left-hand turn at the intersection. Brady stated that in the attempt to avoid a collision he tried to pass on the north side of the Miller car. In so doing he struck Miller's vehicle on the left rear corner.

Brady further stated that Miller operated his car in a "negligent, willful and wanton" manner and that he failed to yield the right of way.

In his original complaint, Miller has claimed that while he was traveling east "in a careful and prudent manner" Brady, "negligently and carelessly" and "while under the influence of intoxicating beverages" struck the plaintiff's automobile. Miller said that as a result of the crash he received personal injuries.

McCadden Rites Are Held This Morning

Funeral services for Aloysius Francis (Frank) McCadden, New Oxford, who died Sunday evening at the age of 86 years, were conducted this morning at the Fred F. Feiler Funeral Home in New Oxford. A requiem mass was sung in St. Mary's Church, New Oxford, with the Rev. Fr. Gregorio Donoso as celebrant. Pallbearers were: Louis S. Smith, Daniel Brady, Joseph Bievenour, Jack Smith, Joseph Sneeringer and Robert Felty. Interment was in the church cemetery.

Crouse Park Improvement Work Finished By Littlestown Jaycees

The Crouse Park Improvement project recently undertaken by the Littlestown Junior Chamber of Commerce, has been completed. Various improvements were made to both the park grounds and pavilion through approximately 400 man hours of work donated by the Jaycees.

The work was begun on June 22 by painting the outside and inside of the pavilion, when 16 gallons of paint were used. The lawn surrounding the pavilion was mowed and trimmed and 80 geraniums were planted in newly-made flower beds on the park grounds. Seven tons of stone were used on the walks leading to the pavilion. The improvement project was for the benefit of community betterment by the Jaycees. The park grounds and pavilion are borough property. A detailed report on this project was given at the Jaycees meeting on Monday evening, by Albert J. Bair, secretary, and chairman of the park improvement project.

The annual community music festival will be held on Friday, July 30, at 8:30 p.m. on the Littlestown Memorial Field, under the sponsorship of the Jaycees. It was announced at the Monday session, that members of the organization will canvass the town to boost ticket sales for the musical, this evening and Thursday evening. The program has been arranged to include six acts of varied musical entertainment. The acts secured will be announced in the future. Prior to the musical, a parade of stars will be featured through the main streets of the community, beginning at 7:30 p.m., July 30. The rain date for the affair has been set for July 31. Plans for the musical will be completed at the next meeting of the Jaycees on Monday, July 19, 6:30 p.m., at Schottie's Hotel.

Rotary Assembly Held

A club assembly was held at the meeting of the Littlestown Rotary Club Tuesday evening at Schottie's Hotel. Each committee occupied a separate table, and made plans for their programs for the next six months. The president, Dr. Donald B. Coover, announced that a classification talk will be given at the meeting next Tuesday, 6:15 p.m., by one of the members. The following week the magazine committee will be in charge.

At last night's session, S. Clair Trostle introduced the following visiting Rotarians: Paul E. Lawyer, Westminster; Paul J. Andersen and Thomas E. Shilling, Hampstead. Lloyd E. Crouse introduced his guest, his brother-in-law, General John Welkert. The meeting was in charge of the club service committee, Cloy I. Crouse, chairman. The Rev. Frank E. Reynolds gave the invocation and the Rev. David S. Kammerer was song leader for group singing.

Scouts At Natural Dam

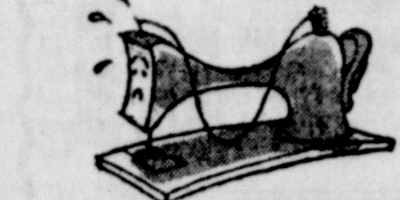

The Boy Scouts of Troop No. 84 are enjoying their annual week of camp at Natural Dam. The group set up camp on Saturday morning. Sunday morning there was a Sunday School hour and the lesson was taught by Paul E. King, supervising principal of the Littlestown Jointure. The Catholic boys of the troop attended mass in St. Aloysius Church. A service was held on Sunday evening, in charge of the Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church.

Using 'New Set Of "Station Breaks"'

Radio Station WGOT has adopted a new series of "station breaks" designed to impress the listener with the history and friendliness of Gettysburg.

By using such terms as "This is WGOT in historic Gettysburg," or "located on the Battlefield" or "in Gettysburg, a good place to work and live," the station hopes to attract motorists who may have tuned in the station while out for drives and bring them to the town and battlefield, and at the same time help impress on residents of the community themselves the many fine features of Gettysburg. The series is being prepared by "Jack" Witzel and John Basehore of the station staff.

Youth At Age Of Six Has 'Way With Gals'

LONG BEACH, Calif. (AP)—Michael O'Malley, 6, told his girl chum, "Come on. Let's go over to our house and play."

"Can't. My mother won't let me cross the street," the little girl said. "Let me handle it," said Mike. "Women go for me."

He entered the house and returned in a few minutes. The little girl's mother opened the door. "Ok you can go," she said.

DIME FINES FAIR

WHITEVILLE, N.C. (AP)—Whiteville tried reducing the fine for overparking at meters from \$1 to a dime. Most parkers preferred not putting any money in the meters at all, and taking their chances on getting caught. City Manager Ralph Woodard reported ruefully.

EAST BERLIN HI ADDS TEACHERS; NEED 3 MORE

Allan Gray, College Ave., has been named as industrial arts and driver education teacher for the Conewago Joint School System, to succeed Lavere Breighner, who resigned after being named to a full-time position as industrial arts teacher at New Oxford High School.

For the last four years, Breighner had been employed by both New Oxford and East Berlin High Schools. Last year, for the first time in the history of the East Berlin High School, driver education was taught on a part-time basis by Richard Watkins, who also taught a similar course at York Springs. Watkins will now instruct at New Oxford High School with the time formerly allotted to East Berlin. Gray, son of Ray Gray, principal of Hanover High School, and son-in-law of Mr. and Mrs. Clyde H. Markle, College Ave., attended Gettysburg College prior to his military service. Later, he transferred to Millersville State Teachers College, where he completed the industrial arts course. He has taught one year at Richland School in Lebanon County.

Enos Eberly, Dallastown, a recent graduate from Gettysburg College, has also been employed as a junior high school mathematics teacher. He succeeds Mrs. Dorothy Grove, York, who is discontinuing her teaching career.

E. M. Gruver, supervising principal, reports that vacancies still exist for a first grade teacher in the East Berlin unit; a girls' physical education instructor, and an art teacher.

HEAT WAVE PEAK IS EXPECTED TO PASS TONIGHT

By THE ASSOCIATED PRESS

Pennsylvania temperatures crept toward the 90 degree mark again today as the Weather Bureau forecast the peak of the two day heat wave will pass tonight.

Cooler air approaching the state is due to arrive and bring showers to end the heat wave. Cooler weather is indicated for tomorrow and Friday although it will be cloudy.

The expected scattered showers, crossing the state from west of the mountains in the afternoon to central and eastern counties at night and Thursday morning, would be the first rain in the state for a full week.

Early High Readings

Late morning thermometer readings ranged from 79 at Williamsport to 89 at Philadelphia. Harrisburg had an 88. Others included Pittsburgh 85, Altoona 80, Philadelphia 81, Sellersville 85 and Allentown 87.

The official state high Tuesday was 93 registered at York and Middletown. However, a 99 degree reading was recorded at Hanover. The Tuesday low was 52 at Emporium.

At least one death was attributed to high temperature which baked the state yesterday, while many other persons were hospitalized for heat exhaustion.

Samuel Blankley, Altoona, was found dead in his automobile. He had been working in his garden earlier. Blair County Coroner D. Harold Troxell attributed death to a heart attack brought on by heat exhaustion.

SOCIAL AMENITIES

LONG BEACH, Calif. (AP)—A harassed city clerk's staff dug deep when a woman caller wanted to know the members of a certain precinct's election board. When they came up with the information they learned the caller was planning a bridge party election day and didn't want to invite any of the girls who would be working on the board.

Couple To Mark 60th Anniversary

Mr. and Mrs. Ross C. Prowell, New Cumberland, Pa., will celebrate their 60th wedding anniversary Sunday.

Mr. Prowell, who is 84 years old, was born in York County and resided there most of his life. He operated a grocery store in Strinestown, Pa., for 18 years and in Biglerville for eight years, retiring 10 years ago.

Mrs. Prowell who is 80 years old was the former Ada Laura Westhafer before her marriage.

Mr. and Mrs. Prowell were married in Yocumtown, Pa., by Rev. Wm. Quigley and are members of the Strinestown United Brethren Church where Mr. Prowell teaches a Sunday School class.

They have four children living, Mrs. John Reeser, Duncannon R. 2; Mrs. Harper Flury, New Cumberland; Harry Prowell, York, and Frank W. Prowell, Harrisburg, and a number of grandchildren and great-grandchildren.

everyone, because it permits more parking by preventing people from using parking spaces indefinitely.

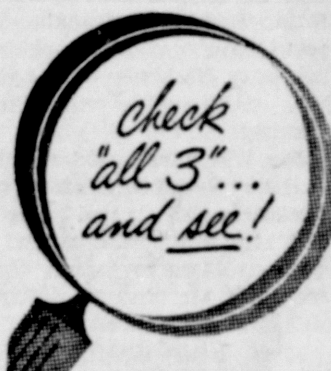

"We regret that we had to take this step, but the persons charged have received two notices of what was going to happen if they did not pay their \$1 fines. In addition, the police contacted some personally or by phone to ask them to pay up. They did not heed the requests and as a result will have to pay from \$10 to \$15 in fines and costs before the justice. Failure to comply with the justice's summons will be followed, as is usual in such cases, by issuance of a warrant and arrest by police."

ELEPHANTS WRECK FARMS

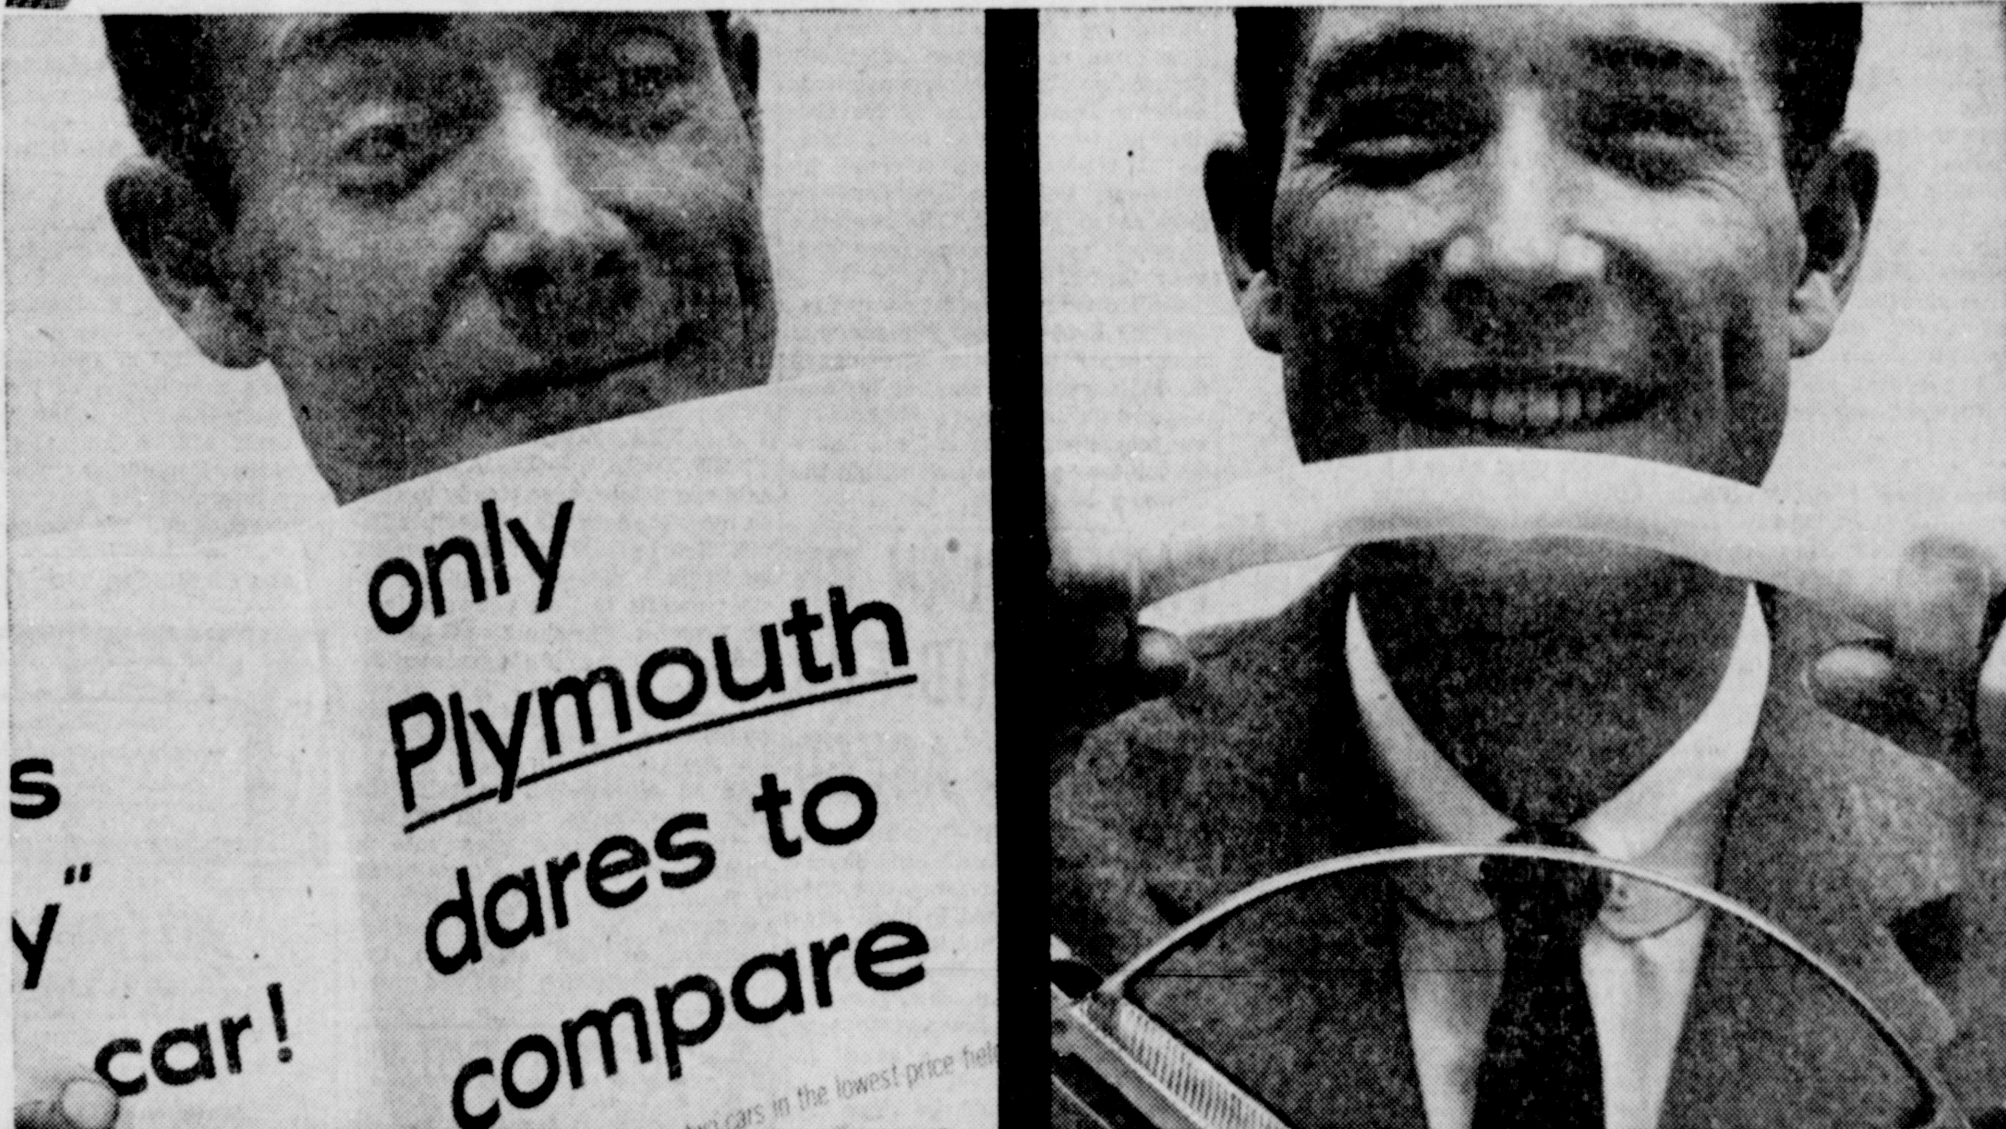

KASHIOWE, Kasanga, Belgian Congo (AP)—Two large herds of wild elephants have invaded the Kashiowe area destroying plantations and terrorizing natives. Nothing has been done so far by the authorities to destroy the elephants or drive them away. Belgian Congo elephants are protected by law from destruction.

TELEVISION ALARM

HARTFORD, Conn. (AP)—Dean W. Moores reports that daily at 4:40 a.m. a woodpecker attacks the television antenna on his home. The unwelcome alarm gives him plenty of wakeful hours to plan woodpeckericide, but so far he has found no answers.

Today's Talk

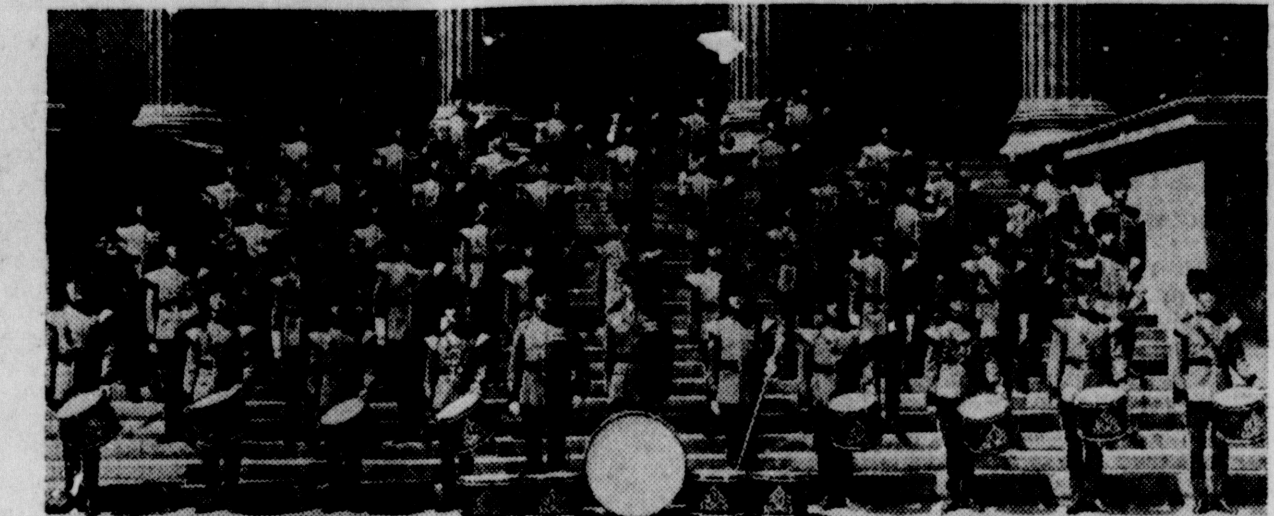

The Big Little Odd Moments

We throw so much of wasted
time into our lives. And the trag-
edy of it is that we do it uncon-
sciously and without thought. So
the little odd moments trot by un-
used and undisturbed. Casually I
ask a person if he has read a cer-
tain book or article. The reply is
flashed back: "Oh, I don't have
the time!" There isn't a person in
the world who doesn't have the op-
portunity to use odd moments to
good purpose.I have a friend who usually car-
ries a volume of Keats in his hip
pocket. Of course he is a poet,
but a better one for having as-
sociated with Keats. We never
need to feel lonely if we carry a
small book about with us to dip
into as the occasion offers.People who work in the city but
live miles out of it have the oppor-
tunity to do a great deal of reading
to and from work on trains, buses
or subway. And what a rare chance
during a vacation. With nature all
about us we digest our reading with
greater relish in the open than at
any other time. There is no com-
panion so satisfying as a good book.
opportunity to do a great deal of
reading to and from work on
trains, buses or subway. And what
a rare chance during a vacation.With nature all about us we digest
our reading with greater relish in
the open than at any other time.
There is no companion so satisfying
as a good book.A blacksmith by the name of
Elihu Burritt taught himself some
forty languages as he worked at
his forge, and had time left over
to lecture and serve mankind with
ideas. He hated war and often
spoke against it. He could see no
useful purpose in it.Reading at the end of the day,
with the petty worries and trou-
bles finally dismissed, can be made
the happiest and most profitable
of all the odd moments of the day.
It is usually a time of quiet, when
a hungry mind needs as much at-
tention as a hungry stomach. And
there are no distractions. The last
half hour of any day may prove
to be the best because of newly
acquired knowledge.These small paper-back books
that are now selling by the mil-
lion—and may they never stop
selling—serve a wonderful pur-
pose, especially the copies of fa-
miliar classics, and books that
have proved their worth over the
years. They have been a boon to
the big little odd moments.Tomorrow Mr. Adams will talk
on the subject: "Be a Finisher"

Just Folks

LAWYERS
Two lawyers in a simple case
(Or so it seemed to be)
No doubt in any other place
Would on the facts agree
But, one was hired to prove the
right.The other prove the wrong;
And so they made of it a fight
That lasted over-long.To tell the truth each witness
sworn
They questioned pro and con.
'Til late at night, from early morn.
The argument went on.To clear his client one would plead.
The other him to doom.
But never once the two agreed
On who did what to whom.I like with lawyer-friends to be.
With them at golf I play.
I like to sit with them at tea
And chat an hour away.
I like their comradeship to share.
(But final this report.)
I like to meet them anywhere
Except when they're in court.

AGAINST 93
COAL MINERSPHILADELPHIA (AP)—Ninety
three anthracite miners employed
by the Philadelphia & Reading
Coal & Iron Co., of Pottsville were
ineligible for unemployment bene-
fits although they did not work on
Easter Monday, the State Superior
Court has ruled.The court, in an opinion by
Judge J. Colvin Wright, said yes-
terday that the miners, from 1943
through 1948, stayed home on
Easter Monday even though the
coal company had scheduled work
at the Alaska, Locust Gap and
Reliance collieries.In 1949, 50 and 51, the company
did not schedule work on Easter
Monday. In 1952, the employer
posted a notice at each of the
collieries noting that the mines
would be idle on Easter Monday
because the miners "are refraining
from work on this day."The miners then filed claims for
jobless benefits on grounds that
they were idle involuntarily.Not An Inference
Judge Wright said in his opinion:
"The language of the posted
notice in no way warranted an
inference that the collieries would
be idle because of the inability of
the employer to furnish work.""Since the policy of not working
on Easter Monday had been initi-
ated by the employees the burden
was upon them to request work on
that day," Judge Wright said.The appellate court also handed
down 108 other opinions as it ended
a special two-day session before
adjourning for the summer.In other opinions, the court:
Upheld the conviction of Joseph
(Specs) O'Keefe, one-time suspect
in the million-dollar Brinks robbery
in Boston, in the 1950 burglary
of stores in Kane and Coudersport.
O'Keefe was ordered to appear in
McKean County Court for com-
mitment to prison.Reversed a Lawrence County
decision and awarded custody of
a five-year-old boy to his foster
parents in New Castle.Upheld an order of Allegheny
Quarter Sessions Court which
quashed indictments against Daniel
and Michael H. Parish and their
Allegheny Asphalt and Paving Co.,
Inc., on charges of bribing Thomas
E. Kilgallon, president of Pitts-
burgh City Council.Ruled that evidence received

Denied an appeal by former
Justice of the Peace Alfred J.
Ackerman of Whitaker, Allegheny
County, on six of seven convictions
growing from charges of his con-
duct in office. He was found guilty
on 57 counts of an 80-count in-
dictment, but was sentenced on
only seven charges. The sentence
directed he serve concurrent two-
year terms.Denied unemployment compensa-
tion for a 36-year-old Philadelphia
bookkeeper who said he resigned
his \$75-a-week job because his em-
ployer didn't give him enough work.

National's Streak Ended In Wild Scoring Melee That Set New Marks For Hits And Runs By All-Stars

CLEVELAND (AP)—A slowly mending finger, a thing called pride and a big booming bat all played a prominent part in the American League's return to the winners' circle. The finger, pride and bat all belonged to one person, Al Rosen of the Cleveland Indians.

The box score of yesterday's 11-9 American League All-Star victory over the Nationals shows it was a bases-loaded single by Nellie Fox in the eighth inning—a real "bleeder"—that drove in the winning runs to end the war of 13 pitchers in Cleveland's Municipal Stadium.

But it was Rosen who, despite a painful and swollen index finger, blasted two home runs, drove in five runs and spearheaded the annihilation of six of the National League's best pitchers.

A Matter Of Pride
It didn't come to light until later that Rosen had asked Manager Casey Stengel to be taken out after the first inning because he felt he "might hurt the team."

"Yes, I went to Casey before the game with the idea that I be taken out of the lineup," admitted Rosen in a clubhouse interview after the game. "I didn't sleep a wink all night worrying whether I'd be a detriment to the team."

"But pride got the better of me. Instead of begging off altogether, I suggested to Stengel that I give it one try because I felt I owned it to the fans who voted me on the team to bat at least once."

Homer Didn't Hurt
"Casey and I discussed three alternatives — play three innings, don't play at all or hit once and quit. Since Casey had no power to make any decision, he took the matter to Commissioner Ford Frick. The Commissioner decided to leave it up to me. I told Casey I'd like to go to bat once and then tell him how I felt."

"Well, I struck out in the first inning and felt terrible. The finger hurt like the dickens—it hurts more when you strike out than I didn't say anything to Casey. Call it foolish pride but I didn't want to bow out that way. If I had at least flied out, it wouldn't have been so bad. I might have quit then. But not that way. I wanted to bat once more. Well, the next time up I hit a home run. You can't imagine the feeling. And would you believe it, the finger didn't hurt...not much, anyway."

The homer, hit off starter Robin Roberts in the third inning, came after the Philadelphia right-hander had walked Chicago's Minnie Minoso and had given up a single to Cleveland's Bobby Avila. Ray Boone of Detroit followed with a home run to give the Americans a 4-0 lead.

Second Home Run
The Nationals fought back with five runs against Chicago's Sandy Consuegra and Cleveland's Bob Lemon in the fourth, and added two more runs on a homer by Cincinnati's Ted Kluszewski in the fifth, forging ahead 7-5, after the Americans had scored again in the fourth.

Rosen was not through yet, finger and all. After Yogi Berra had singled in the last of the fifth, the 29-year-old converted first baseman walloped a second home run, even longer than the first. This 400-foot drive tied the score at 7-7. Rosen got his third hit in the sixth, a hot single off the third baseman's chest which didn't figure in the run that put the Americans ahead 8-7 in that inning.

Al's walk, however, played a major part in the eighth when the Americans tallied three times to overcome a 9-8 deficit. The Nationals had taken a one-run lead when pinch hitter Gus Bell of Cincinnati hammered a home run off Bob Keegan of Chicago, the sixth of seven pitchers used by Stengel.

Wildcat Game Of All
Trailing 9-8, the Americans pitched to Larry Doby's pinch-hit homer off Gene Conley of Milwaukee. Singles by the Yankees' Mickey Mantle and Yogi Berra preceded the walk to Rosen. Carl Erskine of Brooklyn, sixth pitcher used by Manager Walter Alston, replaced Conley and fanned Mickey Vernon for the second out but Fox blooped a Texas leaguer in back of second base, just out of the reach of shortstop Alvin Dark, to chase in the winning runs.

The victory ended the National's four-game victory streak. It was the first triumph for Stengel, who had not won one in four previous tries. It was by far the wildest of the 21 games of the series, which the Americans lead 13-8. New records were set for most hits by one team, 17 for the American; most hits by both teams, 31; and most runs scored by both teams, 20. The six homers tied a record as did the two by Rosen and the five runs batted in by the slugging infielder.

A total of 43 players were used, 22 by the Nationals.
The attendance was 68,751.

BROOKS, BRAVES RESUME PLAY THIS EVENING

By THE ASSOCIATED PRESS
With no complaints from the newly organized players "association," the Brooklyn Dodgers and the Milwaukee Braves will resume the National League pennant chase a day ahead of schedule at Milwaukee tonight.

The day before and the day after the All-Star Game traditionally are off days in the majors, but this is the only opportunity the two clubs will have to make up a postponed game, so it will go on.

The Brooks will have an opportunity to shave half a game off the New York Giants' lead of 5½ games, but if they're going to do it, they'll have to beat Jim Wilson, who has yet to lose a game in six decisions. The Brooks will go with Russ Meyer, who shows a 6-2 record for the year.

Bobby Thomson Ready
The big news in the Braves' camp concerned Bobby Thomson, who has yet to play a game because of a fractured right ankle suffered in spring training. Thomson, who was dealt to the Braves by the New York Giants during the winter, hit a two-run, pinch-hit homer in an exhibition game in Toledo Monday night.

He's not ready for full-time service yet, but Manager Charlie Grimm said he will not hesitate to use him as a pinch hitter immediately.

"But I don't know how long it will be before he can run well enough to play regularly," said Grimm.

Braves Too Far Out
As it is, the Braves, who thought Thomson would give them the added punch to win the pennant this year, are too far out to make a bid. They're in fourth place, 15 games off the pace.

The Brooks had a little good news of their own. Johnny Podres, the 21-year-old rookie left-hander, who underwent an appendectomy June 23, is back with the club, although not quite ready to pitch.

Rocky Jones KO'd
By Charley Powell
OAKLAND, Calif. (AP)—Rangy Charley Powell, 213½, San Diego, who has aspirations to be a challenger for the heavyweight title, knocked out Rocky Jones, 179, Chester, Pa., in the first round of their scheduled 10-round fight at the Oakland Auditorium last night.

Powell smashed Jones with a left hook to the head 50 seconds after the first bell and Jones went down for the full count. Powell quit professional football with the San Francisco 49ers for a boxing career.

Jones came to the coast with a record of having won and lost to Roland La Starza who fought Rocky Marciano for the title last year.

This was Powell's ninth victory in 10 starts. He had one draw.

Standing, James Donaldson, manager, Donald Eckert, William Little, Robert Hess, John McClellan, James Wolfe and G. Noel Flynn, coach. Michael Flynn, the mascot, is seated on the grass in front of the group.

UP TO JACKSON IN RING TONIGHT

NEW YORK (AP)—If Hurricane Tommy Jackson ever is going to rate a title shot at heavyweight champ Rocky Marciano, tonight should tell the story.

The Hurricane, a restless 22-year Negro from New York, boxes Nino Valdes, the Cuban giant, in an important 10-round heavyweight bout at Madison Square Garden.

The match will be carried on network (CBS) television at 10 p.m. EDT.

Valdes, a 6 feet 3 and 207 pounds, is ranked No. 2 among Marciano's contenders, right behind Ezzard Charles although he beat Charles last year at Miami. Despite the high ranking, Jackson, the No. 5 boy, is favored.

Marciano is expected to give Charles a rematch in September, provided his eye cuts heal properly. If anything goes wrong with that match, tonight's winner would be ready to step in. A 1955 bout would be another possibility.

BOY, 14, WINS GOLF TOURNEY

YORK, Pa. (AP)—The 14-year-old son of the Waynesboro Country Club pro today held the State Junior Chamber of Commerce golf championship.

Teddy McKenzie took the title on the third hole of a sudden death playoff with Jim Curti Jr., 240-mont. McKenzie parred the 240-yard, par three final hole, while Curti took a four.

The pair led a field of 53 golfers through 36 holes with 154 each. Dick Burgoon, Carlisle, took third. He needed only a par and a bogey to win the tourney, but double bogied on the 35th and went one over on the final hole to drop behind.

Dick Chase, winner the past two seasons and state PIAA champion, finished far behind the leaders with 174.

Ken Mumma, Harrisburg, defeated Jim Graybill, York, for the fourth spot in a playoff. The top four golfers in the match will represent Pennsylvania in the National Chamber tourney at Albuquerque, N. M., next month.

U.S. Begins Long Davis Cup Climb

PORT OF SPAIN, Trinidad (AP)—The United States begins the annual long climb to the Challenge Round of the Davis Cup today when it meets the British West Indies in a first-round American zone match.

That the Americans will win and go on to the semifinal of the American zone is taken for granted. The United States Lawn Tennis Assn. assigned its second-line players to the task of whipping the local team. Last year, the United States, again using its younger players, scored a 5-0 conquest over the BWI.

Gus Zernial Due To Leave Hospital Today
PHILADELPHIA (AP)—Slugging outfielder Gus Zernial of the Philadelphia Athletics, who suffered a fractured collarbone in a game against the Boston Red Sox last Sunday, was scheduled for release today from Presbyterian Hospital.

Doctors have indicated he will be lost to the A's for the rest of the season but the slugger said he hopes to join the team the last six weeks of the campaign.

Eastern League
The Elmira Pioneers were back on top of the Eastern League standings today, thanks to a home run by veteran Frankie Stauct of the Albany Senators.

The Pioneers invaded Reading and trapped the Indians in a 17-hit battle of errors last night, 9-5, while at nearby Wilkes-Barre the Senators edged the Barons, 2-1. Stauct clubbed his homer with a man on base in the seventh inning to give the victory to Duane Wilson. Ed March was the victim.

The combination left Elmira one game ahead of the Barons, who had held first place by two percentage points.

Fourth-place Binghamton gained ground with two victories over the Allentown Redbirds. The host Triplets took the first, 2-0, and the second, 2-1, while Schenectady edged the visiting Williamsport Grays, 6-5, with a barrage of home runs.

Moose vs. Rotary, 6:15 p.m.

Two runs in the bottom of the eighth enabled the G. L. Bream team to eke out a 10-9 decision over the Lions in a Little League Tuesday evening.

Trailing 9-8 going into the eighth and with one out, G. L. Bream second baseman Sandy Eckert took first when he got hit by the pitcher. McClellan went down swinging for the second out. Claybaugh walked and Riddemoser and Furney singled to bring in the tying and winning runs.

The garagemen started in fine style in the first inning as McClellan tripled, and Joel Riddemoser homered to account for the first two runs. The Breammen added two more in the third. With two out, Riddemoser singled and Bob Furney hit a three-two pitch into deep center field for a triple and then scored on an infield miscue.

In the bottom of the third the Lions broke into the scoring column. A hit batsman put Thomas on first base while eight straight wide pitches loaded the bases with Hankey on second and Hull on first. A single brought in one run and put Rick Weikert on first, advancing the runners. An infield error and a single by Little accounted for the next three tallies. The Lions picked up four more runs in the fifth which were enough to knot the score at 8-8. A walk and fielder's choice error at McClellan and Little on base while singles by Miller and Craver batted in one run and loaded the bases. Hankey then smacked a long triple to keep right field to clean the bags.

Both teams went scoreless in the sixth and seventh frames, but in the eighth inning the Lions tallied one run when Ahrens got on via an infield error, and went to third when Hull and R. Weikert got on base by a single and walk, respectively. A sacrifice fly to deep left by McClellan put his team out in front by one run but the garagemen came right back with their winning rally.

Joel Riddemoser led the G. L. Bream team to victory as he blasted four hits in five times at the plate, including a home run and four runs batted in. Rick Weikert paced the losers as he collected two safeties for four trips to bat. Fissel, who relieved Nichols, received the win while Johnny Ahrens sustained his second straight loss in relief.

Three Essentials For Good Dairy Cow Production Cited By Adams County Farm Agent

By FRANK T. ZETTLE,
Adams County Farm Agent

For dairy cows to produce their best during the hot months three essentials are important. First is an abundance of high-quality feed that can be eaten rather quickly. Provide a good supply of fresh water and also a cool, shady place for cows to lie down.

Good pasture, especially rotation pasture, furnishes the most feed to be eaten in a short time. Extra roughage such as hay, grass silage, or left-over corn silage, is needed to supplement pasture. The dry weather in Adams County this year has browned off most of the pastures, especially bluegrass and the pasture need supplemented or a drop in production will be experienced which may carry right into winter. Cows do not have the energy to bustle around for feed during hot weather like when it is colder. Hence, feeding so that cows can be filled in a comparatively short time is important.

Water Is Important

Plenty of water is very important. If the pasture does not have running water it may be necessary to pipe it to the pasture. Otherwise,

the cows should be brought to the barn or other source for water during the middle of the day.

Hot, muggy weather is hard on cows, especially if they have to lie in an open field in the hot sun during the heat of the day. If the pasture does not have shade it is advisable to bring the cows into the barn during the heat of the day or turn into another lot that has shade.

Hot weather interferes with cows doing their most efficient job of producing milk. It pays dividends to do anything that will make them more comfortable.

No poultryman can long operate a profitable flock and feed a lot of non-producing hens. Of course, you should be certain that the lack of production is not due to mismanagement. In that case, investigation may reveal that heavy culling might not be advisable and good care would return a profit for several more months.

Cause Of Lapses

Sudden lapses in production may be due to a change in the ration or method of feeding. They may be due to moving the flock or in change of personnel or attitude and care rendered by the caretaker. Lice and mites are a common trouble in

spring and summer. Disease and other parasites can be a problem. Birds may be thin because of extremely long and heavy production.

However, if fowls have been thrown out of production, it may require several months to get them back into production. This may be too expensive for the producer made possible and so the producer may be better off to market the entire lot and use his feed supply for other fowls capable of bringing in a greater and more certain return and profit. Culling will help separate out the better hens which might be retained for production, if numbers justify the labor to be expended, but only as long as production remains profitable.

July Flower Tips

We all like to see a well kept beautiful flower garden. Proper care during the growing season helps keep your garden beautiful. Here are a few suggestions for July.

Cutting of annuals in the garden regularly will induce them to bloom. If seed is desired, this seed should be collected and stored in small envelopes which have been marked properly.

Foxgloves and campanulas as well as columbines (seeds) can be planted now. If flowering bulbs have not been dug after the foliage has turned yellow or has withered, dig the bulbs now, separate them into sizes and allow to remain in a dry place for several days. These bulbs may be stored in small strawberry boxes or in flats on the bottom of which may be placed fine mesh wire to allow for proper air circulation.

Pinch Back Lateral Buds

Remove diseased portions of hollyhocks and burn them. This same suggestion applies to other badly diseased or insect-infested plants. Look over dahlias and pinch back lateral buds. This will induce the large main bud to be productive of

NEW OXFORD — Miss Mae Adelaide Kuhn remains a patient at a Maryland nursing home where she has been for some time and where she has been partially paralyzed since suffering a stroke in December. Miss Kuhn has recovered sufficiently to enable her to walk about the home with assistance.

Mr. and Mrs. Guy Kohr, near here, with their granddaughter, June-Ann Miller and Mrs. Kohr's sister, Mrs. Ellis Stambaugh, Abbottstown and children, Nancy-Ann and Billy, made up a party recently touring New England.

Mrs. William R. Russell, Sanford, Pa., the former Cleopha Robinson of town, is spending part of the summer with local relatives.

Mrs. Charles J. Delone, Hanover, has reopened her summer residence at "Waldheim," Dicks' Dam, near here.

Mr. and Mrs. David E. Winebrenner 3rd, with their children, have left for their annual summer stay at their cottage in Ocean City, N. J. Mrs. Winebrenner's parents, Mr. and Mrs. William D. Himes Sr., are also in Ocean City, and expect to remain until late in September.

Percy E. Alwine, who has resided for many years at Berlin Junction, and whose wife died several months ago, is preparing to close the home and move to reside with a son, Philip E. Alwine, and family, here. Mr. Alwine is the father of ten sons and daughters, all married with the exception of the youngest, Miss Phyllis E. Alwine, a student nurse at Harrisburg Hospital. The Alwine family had the largest number of children in World War II service of any family in New Oxford.

Children and grandchildren of Mr. Alwine met recently at his home for a reunion to celebrate the father's 73rd birthday.

Present were: Mr. and Mrs. Kenneth Alwine and daughters, Gail and Sharon, Biglerville; Arthur E. Alwine, Spring Grove, with his wife and sons, Robert and James; the Philip Alwine family, including their son, Douglas, and daughters, Alice, Lois and Joyce; David B. Alwine, his wife and daughters, Pamela, Darla-Beth, Karen and Wanda, and son, David 2nd; Ralph M. Alwine, his wife and son, Scott, all of this section; Mrs. Aubrey Merchant with her husband and children, Linda and Peter, Lebanon; Mrs. Keith Sweigart, with Mr. Sweigart and daughters, Suzanne and Cynthia, Mechanicsburg; and Miss Phyllis E. Alwine. A grandson, Ronald Alwine, York R.D., with his wife and son, Dwight, were also among guests.

CLEAN STREAM CHECKS ISSUED

HARRISBURG (P) — First state aid checks went to six municipalities Tuesday under a plan to speed up action on the Commonwealth's Clean Streams Program.

Totaling more than \$186,000, the checks cover up to two per cent of the cost of sewage treatment plants installed by the communities involved.

They are Bethlehem, \$100,368; Sunbury, \$18,491; Middleburg, \$3,377; Phoenixville, \$13,416; Norristown, \$21,758; and Altoona, \$28,785.

"This first batch will be followed by others just as soon as we can clear the checks," said J. R. Hoffer, chief engineer of the Sanitary Water Board charged with administering the anti-pollution plan.

He told a newsmen the aid-receiving precedence of some 110 other municipalities which have applied for state aid has still to be determined.

The 1953 Legislature set aside two million dollars for state aid to municipalities which have been clamoring for such help in complying with the Clean Streams Program.

Plants built since Sept. 1, 1937 are eligible for state aid. Communities had until last Jan. 31 to file applications for the grants.

Applications for aid this year listed nearly 50 million dollars in sewage treatment construction costs since 1937. A board spokesman said 25 million dollars in additional construction will be completed this year.

Kenneth Alwine and daughters, Gail and Sharon, Biglerville; Arthur E. Alwine, Spring Grove, with his wife and sons, Robert and James; the Philip Alwine family, including their son, Douglas, and daughters, Alice, Lois and Joyce; David B. Alwine, his wife and daughters, Pamela, Darla-Beth, Karen and Wanda, and son, David 2nd; Ralph M. Alwine, his wife and son, Scott, all of this section; Mrs. Aubrey Merchant with her husband and children, Linda and Peter, Lebanon; Mrs. Keith Sweigart, with Mr. Sweigart and daughters, Suzanne and Cynthia, Mechanicsburg; and Miss Phyllis E. Alwine. A grandson, Ronald Alwine, York R.D., with his wife and son, Dwight, were also among guests.

Democrats Start Drive For Votes

HARRISBURG (P) — Pennsylvania Democrats begin a drive for voter registration next week for the Nov. 2 general election.

Sen. Joseph M. Barr, Democratic state chairman, said he and James A. Finnegan, Philadelphia City Council president and Democratic registration chairman, will meet with local Pittsburgh leaders next Monday.

On Monday night they will go to Meadville to meet with Democratic leaders there.

Similar sessions, both afternoon and night, are scheduled Tuesday at Ridgway and Williamsport; Wednesday, at Lewistown and Harrisburg; and Thursday, Reading and Scranton.

Another of Mr. Alwine's daughters, Mrs. Eugene Bean, left several weeks ago with her daughter, Margaret, to join her husband who is in service overseas.

J. Arthur Donohue has returned to his position in Philadelphia after spending a vacation of several days with his family here.

Mrs. Charles L. Eicholtz has sold a property in Hanover to her sister, Mrs. Ellen Moir Haas.

Miss Sylvia A. Yohe, daughter of Kenneth Yohe, has left with her younger sister, Priscilla Jane, to spend an indefinite time with their maternal grandparents, Mr. and Mrs. William Barnes, Kentucky residents. The sisters were accompanied south by their father and his uncle, Luther A. Yohe, who has returned.

Michael, youngest son of Mr. and Mrs. Bernard A. Wagner, York, is spending several days at the summer home of his grandmother, Mrs. Ambrose P. Wagner, Dicks' Dam.

Leslie E. Reinecker, Pine Run farmer, who was seriously ill, is reported much improved.

Dorinda and Carole, young daughters of Marine Corps Capt. Esten C. Carper, and Doris Miller Carper, formerly of here, have returned to their home near the Marine post at Quantico, Va., after a visit to their grandmother, Mrs. W. Hafer Miller.

Miss Patty Jones, who has been spending the summer on the Pine Run farm of her grandparents, Mr. and Mrs. Lyman P. Bishop, was visited there recently by her parents, Mr. and Mrs. Ralph Jones, who have now returned to their home at Washington, D.C.

COWBOY GREETINGS

HELENA, Mont. (P) — Summer tourists are welcomed to Montana at the border by youngsters garbed in colorful cowboy regalia. Twenty-one such greeters, mostly collegians, man ports of entry to give highway and fishing information and provide maps.

MYSTIC, Conn. (P) — An old sailor suit, complete from straw hat down to hand-stitched flannel underdrawers, has been donated to the Mystic Seaport Marine Museum. The outfit was worn in 1934 by Richard Henry Dana on the voyage which gave birth to his famous book, "Two Years Before the Mast."

REGISTER FOR SWIM CLASSES

Registrations are now being received at Krall's Store in Dillsburg for the Red Cross "Learn to Swim" program which will begin Monday and convene for six sessions until July 30.

Classes will be conducted in the newly-opened Dillsburg pool operated by R. W. Smith.

Registrants will meet at the Dillsburg Community Building where they will be taken to the pool by bus at 9:30 o'clock each morning and returned by bus to Dillsburg immediately following the class. Only persons who have registered for the course will be admitted to the pool when the Red Cross classes are in session.

Instructors under the direction of Mrs. Clara Stambaugh, water safety chairman, York County Chapter, American Red Cross, will teach the group. Local ladies serving as chaperones will accompany the children on the bus.

Boys and girls of Upper York County from 8 to 13 years of age are eligible to register.

HARD ROCK JOB

EL GERRITO, Calif. (AP)—A huge rock slid down a hillside and blocked a street. Three contractors failed to break it up by using gases in drilled holes, sledges and wedges and dry ice. The fourth contractor dropped a big steel ball on it and cracked it to pieces.

Bus manufacturers estimate that the United States will need 25,000 new school buses each year for the next three years.

GOVERNORS IN SPOTLIGHT FOR '56 CAMPAIGN

By JACK BELL

BOLTON LANDING, N.Y. (P)—

Three Democrats and half a dozen Republicans claimed the political spotlight today as the nation's governors prepared to wind up their 46th annual conference with a call for a conference with President Eisenhower on a vast new road-building program.

Although politics officially is taboo here, Governors Robert B. Meyner of New Jersey, G. Mennen Williams of Michigan and Frank J. Lausche of Ohio appeared to be advancing to the forefront in a Democratic parade of potential 1956 presidential candidates.

Republican governors, who often furnish that party's nominee, hid themselves under a blanket assumption that President Eisenhower is going to be a candidate again.

Some Are Available

But some of them lifted the corners of the covert to make it known privately that they would not be adverse to being considered favorably if the President should decide not to run again.

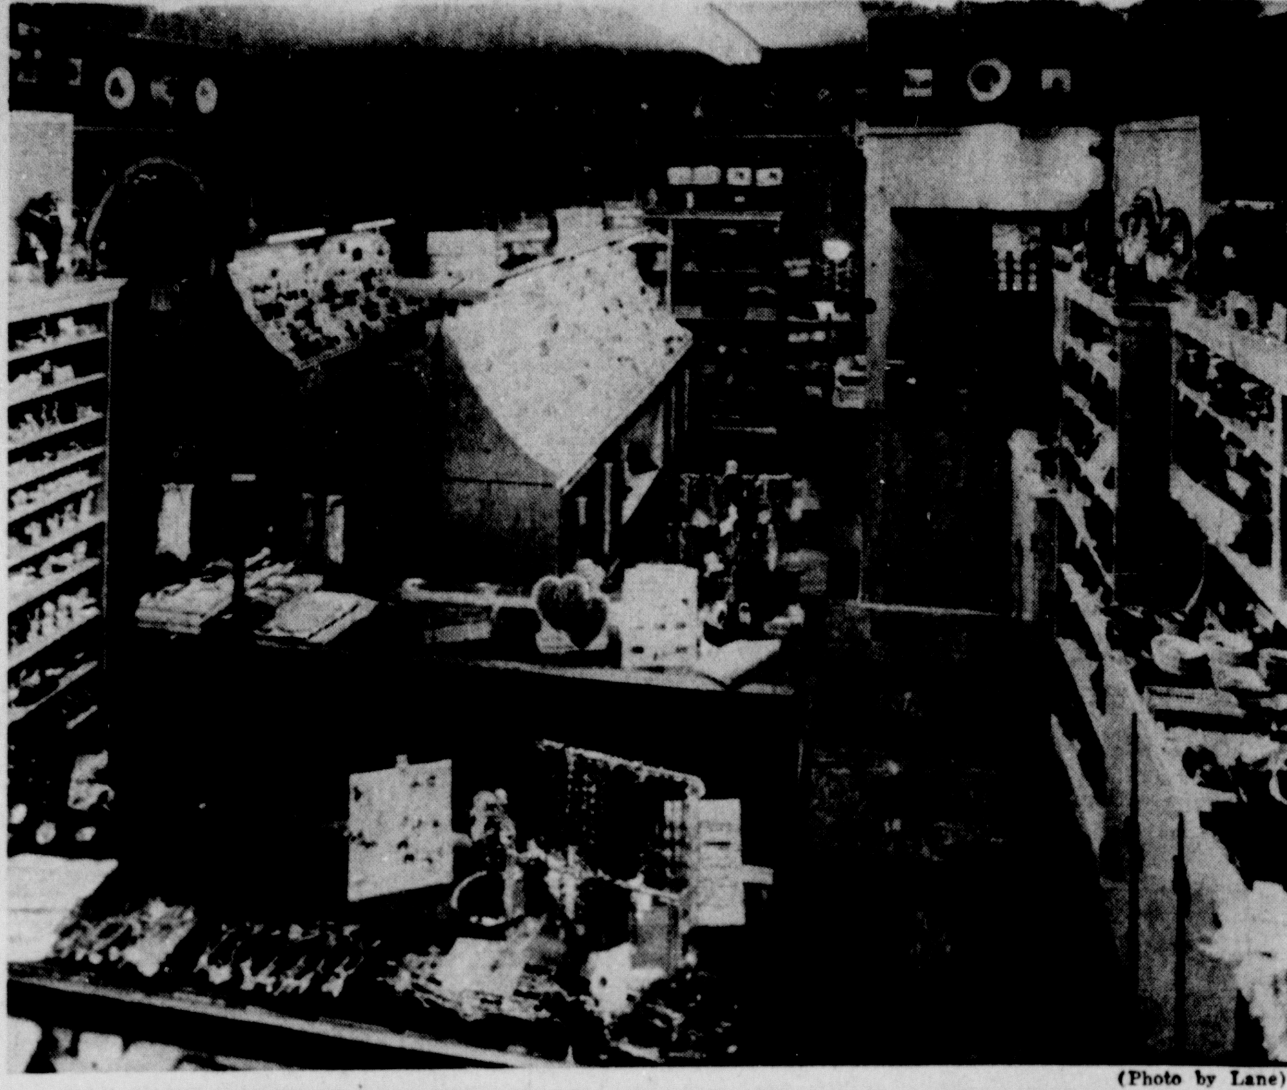

In the vanguard of these was GOP Gov. William G. Stratton of Illinois, who turned away direct questions about his future aspirations but obviously wasn't very put out at those who asked.

The biggest unsettled political question of the conference, however, concerned a man who twice has been the Republican presidential nominee and whose friends think he would like to have a third shot at the grand prize—Gov. Thomas E. Dewey of New York.

Dewey Won't Talk

Dewey has been an affable host to this conference—and nothing

more. He said flatly he won't talk about the possibility that he might run for a fourth term as governor of New York in November.

Among those who know him best, Dewey was pictured as not finally decided. His friends said he doesn't want to run and would like to retire to private law practice, believing that the presidential lightning is as likely to strike him there as in elective office.

On the other hand, there are those close to him who believe that in the end his name will be found

merly housed the Tot 'N Teen Dress store—will specialize in souvenirs, costume jewelry, cameras, and craft gifts. The northern portion, or cut-rate division, will continue to stock proprietary medicine, cosmetics, and sundries.

Employees at the cut-rate and gift shop are: Nina Wolf, E. Middle St.; Mrs. Letha Kepner, Baltimore St.; Mrs. Bernice Staley, W. Broadway, and Nancy Bender, E. Broadway.

The building which houses the Bender business establishment was erected in 1872 and was purchased by the present owner in 1941—although he has been operating the Cut Rate Store since 1931. The gift section—separated from the drug and cosmetics department by an archway—measures 16 by 31 feet.

Bender said he operated his original business for 15 years in the re-decorated gift section.

Is Air-Conditioned

The recently renovated gift shop is designed with knotty pine and peg board walls, an acoustically tiled ceiling, and a new asphalt tiled floor. It is well lit by fluorescent tubular lighting and is air-conditioned. The store is fronted by a large display window and adjoining shadow window to the right of the entrance.

Prior to its Tot 'N Teen proprietors, the store housed a liquor concern during World War I, water company offices, a shoe store, and another cut-rate store.

Alterations to the new gift section were started by Gorman and Sons, contractors, April 7, and completed June 3. The store was opened unofficially July 1.

on the state ticket in November. He might be opposed by Rep. Franklin D. Roosevelt Jr. or Mayor Robert F. Wagner Jr. of New York, credited here with being among the most likely Democratic nominees.

Lukewarm On Stevenson

The outnumbered Democrats among the governors have been getting the most political attention at this conference—which publicly has concerned itself primarily with a long-range and somewhat confusing debate with Eisenhower over whether the states or federal government are to build a proposed new transcontinental system of highways.

Meyner, who represents a fresh approach among Northern Democrats who might be considered for the party's 1956 presidential nomination, is a new star peeping out of the political firmament.

Personable and energetic, he is likely to have New Jersey's delegation behind him in the 1956 Democratic convention. He still sticks to his support of former Gov. Adlai E. Stevenson of Illinois as the best man for that nomination, but the Stevenson backing among Democratic governors is lukewarm at best.

ORRTANNA — Ralph Spence, Billie Fissel, Clark Spence, Dale Biesecker, Barry Harbaugh and Dale McDannel spent Saturday in Philadelphia where they attended the baseball game between the Philadelphia Athletics and the Boston Red Sox.

Mr. and Mrs. Joel Rich and family, Pittsburgh, were recent visitors with Mrs. Margaret Shindeldecker and son, Peter, mother and brother of Mrs. Rich. They were accompanied to Pittsburgh by Miss Margaret Shindeldecker, Tomstown, Franklin County, niece of Mrs. Rich, for a two-week stay at the Rich home.

Luther Wetzel and granddaughter, Miss Genevieve Wetzel, Orrtanna, R. D. and William Weigle, Aspers, spent Sunday at Solley, Md., as guests of the former's son and daughter-in-law, Mr. and Mrs. Kermit Wetzel.

Mr. and Mrs. Raymond Pepple and son, Lowell, spent Sunday in Hagerstown as guests of Mrs. Pepple's parents, Mr. and Mrs. Samuel Weaver. They were accompanied to Hagerstown by Mrs. Ella Reed, Fairfield.

Visitors during the past week with Mr. and Mrs. Weaver Zimmerman were their son and daughter-in-law, Mr. and Mrs. Paul Zimmerman, and son, Randy, Chambersburg; Mr. and Mrs. Edward Sweigert, Bowmanville; Mr. and Mrs. Samuel Sonder, Akron, Pa.; and Mrs. Paul Wise, Ephrata. Mrs. Sonder and Mrs. Sweigert are sisters of Mrs. Zimmerman.

A surprise party was held Saturday evening at the home of Mr. and Mrs. Raymond Pepple in observance of the first wedding anniversary of the Pepples' son-in-law and daughter, Mr. and Mrs. Henry Fissel. The couple received many gifts. Refreshments were served. Those present included: Mr. and Mrs. Paul Fissel, Merl Fissel, Mr. and Mrs. Pepple, Lowell Pepple, Orrtanna, R. D., and Miss Elzina Baldwin, Aspers. Mr. and Mrs. Harold Keller and son, Max, York, spent Sunday with their parents, Mr. and Mrs. Claude Fissel and Roy Keller.

American colleges and universities have nearly 34,000 foreign students enrolled.

Five Weeks Of Dry Weather Retards Crops In Southeast

HARRISBURG (P)—A state-federal agricultural survey showed today that five weeks of dry weather is holding back proper growth of crops in southeastern counties.

The report, completed for the week ending yesterday, said rainfall averaged only two thirds of normal, while temperatures averaged five degrees below normal. The report continued:

"Cool, cloudy weather last week with steady rainfall on Wednesday delayed harvesting and other field work. Soil moisture is now adequate for good growth of crops except in the southeast where ground is very dry. Most corn made rapid growth as temperature climbed at end of week—some stands in the southeast are wilted."

Good Wheat Crop

"Wheat is producing at a record rate per acre as combining advances into central counties. A record acreage of high yielding barley nears completion of harvest. In some localities lodging hindered cutting of grain. Dry weather in southeast hastened ripening of oats and cutting has started. Prospects are especially good in northern and central areas."

NEW COMMY EDICTS
HONG KONG (P)—Purge and terror seem to be on the flood again in Communist China. A series of policy statements by the official Peiping Peoples Daily lately on political, legal and police work, call for tightening up against "criminal elements, saboteurs . . . counter revolutionaries . . . law breaching industrialists and merchants."

Similar statements preceded the slaughters of 1951-52 and the lesser killings last year. They seem to reflect break-downs in Communist controls, new resistances, wavering loyalties. The news of the purges are pouring in from independent sources, some of which say as many as a hundred are being shot at a time in some cities.

Donald Peters was appointed to notify the Model Airplane Club of the wishes of the board.

Dance on Saturday

Luther I. Sachs Jr., Rec Director, reported that the first dance will be held Saturday evening in the high school cafeteria. He reported that a telephone has been installed at the field. The number is 219-W. He added that presses for five or six tennis racquets are urgently needed. He requested that local citizens wishing to donate presses contact any member of the recreation staff.

It was announced that the afternoon special activity events for younger children have been moved up to the evening hours.

The board stated that additional picnic tables and fireplaces have been installed on Field. Adams Countians were invited to take advantage of the outdoor facilities.

Fasting Finns Expect Ruling Today On Their Appeal For Bail

By JAMES BACON

LOS ANGELES (AP) — The fasting Finn twins learn today if it's food for supper or just the 23rd day of a starvation strike.

The U.S. Circuit Court of Appeals is slated to rule on an appeal for bail for the twins, who were sentenced to a year's jail term for interfering with a government officer.

The 40-year-old identical brothers, protesting against the "injustice" of their sentence and the government's seizure of their war surplus transport plane, have vowed to shun food until they die or are released.

They're Losing Weight

Whatever the outcome, the case of the Flying Finns has become the biggest human interest story locally in many a year.

Los Angeles newspapers report on the brothers' starvation rigors with banner headlines. Finn fan clubs have sprung up. Auto stickers with "Hurry up and help the Finns" have appeared on the highways. In Bakersfield money is being collected to help them.

Charles weighed 138 at the start of the fast and George, 135. Their latest weights are 112 and 111.

Comedy Of Errors

The Finn case started with purchase of a C-46 from a school district near Bakersfield, where it had been used as a classroom. The Finns spent several thousand dollars reconditioning it and flew it 18 months. The government then began action to get it back, holding that the contract with the school district forbade its resale except for scrap.

That touched off a comedy of errors with the twins flying the ship from Bakersfield to an airstrip near Death Valley. The FBI arrived to serve a contempt warrant for removing the plane in violation of a government order.

George had taken over Charles' post as guard and the FBI served the wrong warrant. In court, George wouldn't tell if he were George of Charles and got jailed for contempt. They were acquitted when their lawyer showed the government never had legal possession of the plane.

Arrested Attorney

With the acquittal, the Finns thought the government acted illegally when the Air Force was ordered to remove the ship to Nellis Air Force Base near Las Vegas, Nev.

That's when they slapped handcuffs on U.S. Atty. Laughlin E. Waters as he left a hotel. The Finns said they wanted to make a citizen's arrest of the prosecutor but a federal judge thought otherwise. He gave them the year in jail.

That started the fasting. The Finns drink water and officials at the California Medical Facility at Terminal Island have given orders to force feed the two only if their condition becomes critical.

Europe has about 400 million people.

VA. DEMOCRATS NAME CHOICES TO UNSEAT GOP

RICHMOND, Va. (AP) — The task of recapturing two of Virginia's seats in Congress from the Republicans was handed to Ernest Robertson and John C. Webb — both members of the House of Delegates — by Democrats yesterday in primary elections in the 6th and 10th districts.

Robertson, a 39-year-old Roanoke County salesman with six years' experience in the State Legislature, was the somewhat surprising winner over Powell Glass Jr., Lynchburg newspaper publisher and grandson of the late U.S. Sen. Carter Glass. A third candidate in the race, Dr. J. Carl Poindexter, Salem College professor, was no factor.

Top Field Of 4

Webb, 38, a Fairfax attorney and a newcomer to the Legislature this year, topped a field of four in the northern Virginia 10th with his closest opposition coming from Dean Brundage, 30, an Arlington High School teacher. Two other attorneys in the race, J. Walter White and Charles Lewis Knight, were also-rans.

In 1952 the GOP captured three of Virginia's 10 seats in Congress in the Eisenhower sweep. Robertson will go against Republican Rep. Richard Poff in November. Webb will try to unseat Rep. Joel Broyhill, the first congressman to represent the new 10th. The Democrats nominated sheriff Pat Jennings of Smyth County several months ago to take on the third Republican 1952 winner—Rep. William C. Wampler of the southwest 9th District.

Wife Won't Testify Against Husband

NEWARK, N.J. (AP) — Daniel De Vito, 42, appeared before Chief Magistrate Harry Pine yesterday on a charge of the assault and battery of Virginia Howard.

Detective Michael Skurla charged that De Vito quarreled with the lady in a tailor shop June 25 and beat her severely about the head and body.

But when she took the stand yesterday, she refused to testify, claiming a wife's immunity. She said she and De Vito were married a week ago while he was out on bail.

Judge Pine dismissed the charges.

NINE MINERS ARE AMBUSHED

PENNINGTON GAP, Va. (AP) — A nonunion coal mine near this community in the tip of southwest Virginia was closed down today after nine miners were ambushed yesterday as they prepared to go to work.

None of the miners was hurt at the C. R. Tomblinson mine about 11 miles north of here in Lee County. Tomblinson, the mine's owner, said "a dozen or more" men shot at his working force "for about 15 minutes."

He said he picked up "a pound of empty cartridges" after a fusillade of shots from a wooded area surrounding the small mine's entrance.

A man called him up yesterday. Tomblinson said, asking "If I were ready to sign up. The caller did not identify himself."

Tomblinson said he had worked under a United Mine Workers contract the past three years but canceled it April 19 "because we just couldn't make it paying union rates."

SENATE DEBATE ON TVA POWER PLAN EXPECTED TO CAUSE DELAY

By RUSSELL BRINES

WASHINGTON (AP) — Sen. Anderson (D-NM) said today a long Senate look at a proposed government contract to buy electric power in the TVA area may delay President Eisenhower's broad new atomic energy program.

A controversy has been raging in Congress over the President's directive to the Atomic Energy Commission (AEC) to negotiate a contract for construction of a new private power plant to serve the Memphis, Tenn., area over Tennessee Valley Authority lines.

Sen. Hickenlooper (R-Iowa), administration floor leader for the 104-page Atomic Act revision bill, said the power issue promises to provide the main battle on a measure designed primarily to allow giving certain atomic information to allies and to permit private operation of nuclear facilities.

More Debate Expected

Hickenlooper said he also expects considerable debate on authority provided in the measure for the Defense Department to furnish allies with what he calls "sharply circumscribed" data on the "tactical employment of atomic weapons."

He told the Senate last night that the Senate-House Atomic Energy Committee, of which he is vice chairman, had provided "carefully stipulated safeguards" to withhold information on the "design and fabrication of the nuclear part of atomic weapons . . . (and) de-

Red China's Chances For UN Admission In 1954 Are Slim

By JAMES MARLOW

WASHINGTON (AP) — At this moment Red China's chance of getting into the United Nations in 1954 — although there was a recent storm here over the thought of it — looks small.

The United States is flatly against letting them in. The British are opposed to letting them in any time soon. Between them the two countries should have enough friends among the 60 U.N. members to keep Red China out now.

This is not to say the Chinese Communists will not eventually be admitted, whether or not this country likes it.

Would Be Amazing

It would be an amazing spectacle if Red China could get in this year. It would truly be shooting its way in. Three years ago the U.N. voted that Red China was an aggressor in the Korean War.

The Chinese had pretended the fiction their countrymen who tailed engineering information on other sensitive parts of our weapons."

Says U. S. Is Ahead

He said the United States also is ahead in the development of peacetime power from atomic energy.

He and Anderson said in separate interviews they did not expect the battle over the electric power issue to kill the entire bill, as some Democrats have predicted. Hickenlooper predicted the measure will pass the Senate after "considerable debate."

The bill reached the Senate floor last night. The House may begin debate on it within a few days.

fought in Korea were volunteers. They still are in that war. There is only a truce in Korea, not peace. The U.N. resolution calling them aggressors has not been lifted.

The Chinese Communists would get some obvious advantages out of U.N. membership. It would mean that in the eyes of the world they had generally been recognized as the rightful rulers of China.

Only 17 U.N. members, including the British, recognize them now. They have to do their propagandizing now from faroff Peking. It would be a picnic for them if they were in the world forum of the U.N.

With representatives in the U.N. they'd have handy access to the representatives of other countries. They could join with the Russians to weaken the ties between the Western countries. This is a two-way street, of course, since the West could try the same thing on them and Russia.

If the U.N. gave them a seat and threw out Chiang Kai-shek's Nationalists, now representing China in the U.N., the Red Chinese could start demanding possession of Formosa, now occupied by Chiang's government.

Chiang has been supported and

supplied by the United States. This country could hardly abandon Chiang and his people to the mercy of the Communists. But if this seems like a problem, it would be only one of hundreds once Red China got into the U.N.

Sen. Knowland of California, Senate Republican leader, this month served notice he would resign his leadership and lead a fight to take the United States out of the U.N. the day Red China walked in.

This stand was the more remarkable because Knowland is President Eisenhower's lieutenant in the Senate. It caused a sensation here and abroad. Eisenhower and Secretary of State Dulles have the duty to make American foreign policy.

Could Fry A Lot Of Fish

Knowland explained he was only trying to strengthen Dulles' hand, but in effect he was telling the White House what foreign policy on Red China, at least, should be.

It was the kind of statement with which Knowland could fry a lot of fish: it might chill any American allies who were flirting with the idea of voting for Red China in the U.N.; it might force the British into the open as being with or against this country in opposing Red China; and it might force Eisenhower and Dulles to declare — and so influencing other countries — unalterable opposition to Red China.

NEED 13,000 AIR SPOTTERS

HARRISBURG (AP) — Pennsylvania's "Operation Skywatch" today began its third year of aircraft observation with an appeal for 13,000 more volunteer observers to man under-staffed stations.

Filter centers at Harrisburg and Pittsburgh and their subsidiary observation stations now have about 17,000 volunteers, said Capt. William Fagan, attached to the Harrisburg Filter Center.

"We need more than 30,000 to maintain 24-hour observation at all of our posts," he said. "If Pennsylvanians really want to join in 'Operation Skywatch', they should sign up for this program."

"Operation Skywatch" is an Air Force project in which civilian volunteer workers watch for aircraft and report on them to Air Force filter centers. The civilians spend two hours a week in spotting aircraft.

The ground observation posts are set up to supplement radar protection.

Church officials believe that Ship Meeting House in Hingham, Mass., built in 1681, is the oldest building in the United States which has been used continuously for public worship.

DULLES SAYS DEFENSE GROUP CAN AID FRANCE

PARIS (AP)—Secretary of State Dulles arrived here Tuesday and said he considers that a collective defense organization for Southeast Asia could help France get "just and honorable peace terms" in Indochina.

Dulles flew into Paris aboard a U.S. Military Air Transport Constellation for a British-French attempt to convince him an "honorable" peace can still be won in Indochina—and that his presence in Geneva would help win it.

He was scheduled to talk with French Premier Pierre Mendès-France and British Foreign Secretary Anthony Eden. Eden and Mendès-France left Geneva earlier Tuesday to be on hand for the conference.

In a statement, Dulles recalled he had come to Paris last April 13, before the Geneva conference started, to talk about forming a Southeast Asian defense pact.

U. S. Not A Belligerent
At that time, he said, he felt such an organization would help France. "I still feel the same way," he added.

He went on to explain: "The United States is not itself a belligerent and therefore not a proper party to many aspects of the problem which are the principal concern of the Geneva conference. However, we do have a great and continuing interest in collective action by France, Great Britain, the United States and other free countries to promote the peace and freedom of the area."

"This, as well as pressing European problems, will, I hope, be among the subjects of our conversations here, which are bound to re-emphasize to the Communists the futility of their efforts to divide us."

The reference to European problems indicated Dulles expects to discuss plans for the six-nation European army which France has delayed placing before its Parliament for ratification.

Dulles' flight here was in answer to an urgent appeal from

Two Flee Jail; One Is Captured

LEWISTOWN, Pa. (AP)—Two prisoners escaped from the Mifflin County jail Tuesday when the prison bulletin door was unlocked to give prisoners their breakfast. One of them was arrested 15 minutes later trying to leave the borough in a taxicab.

Sheriff H. Fred Foster identified the prisoners as Cletus Walters, 30, Milroy, awaiting trial on a forgery charge and Fred Maney, 21, Honey Creek, Huntingdon County, serving 30 days on charges of disorderly conduct and failing to pay a taxi driver.

Walters was arrested in a taxicab on the edge of Lewistown. State and borough police started an intensive search for Maney.

Weather Forecast

Extended forecast for the period, Wednesday, July 14, through Sunday, July 18:

Eastern Pennsylvania, Eastern New York and Mid-Atlantic State: Temperature will average a few degrees below normal north and a little above normal in south. Warmer Wednesday and Thursday, cooler Friday and Saturday and warmer again Sunday. Scattered thundershowers Thursday and possibly in the north Sunday, will total about one-third inch in north and one-fifth inch or less in south.

Western Pennsylvania, Western New York, Ohio and West Virginia: Temperature will average near normal northeast and a few degrees above normal in west and south. Quite warm Wednesday, turning cooler Thursday afternoon and night. Cooler Friday, warmer over the weekend. Scattered showers Thursday and in north Sunday, will total one tenth to three tenths inch.

TAFT MEMORIAL GROUP FOUNDED

WASHINGTON (AP)—A nonprofit organization to "perpetuate the ideals" of the late Sen. Taft (R-Ohio) was founded Tuesday, with former President Herbert Hoover as chairman.

The organization, described as nonpolitical, will use its funds for religious, charitable, scientific, literary or educational purposes. It is called the Robert A. Taft Memorial Foundation, Inc.

A statement announcing that articles of incorporation were filed in Baltimore today said President Eisenhower has agreed to serve as honorary chairman for the first term.

A list of original trustees included high officials of the Eisenhower administration, close friends and associates of the Ohio senator, who died July 31, 1953.

With headquarters in Washington, D.C., the Foundation will aid schools, libraries, individuals and publications "to promote the advancement and diffusion of knowledge and understanding."

their granddaughter, Betty M. Feder, 17-year-old daughter of Mr. and Mrs. Morton C. Feder, York, formerly of here.

Harlan, Donald and Stephen Harlacher, near Red Run, entertained recently at their home the Davidsburg 4-H Club. Steer judging was a project of the session.

Mr. and Mrs. Melvin Eyster, near Holtzschwamm, have learned that their son, Pvt. Donald M. Eyster, who entered the service in December, has arrived for further duty at Port Whittier, Alaska. He had been at Aberdeen, Md., since his entrance. The young man is a graduate of East Berlin High School.

Among servicemen taking part in

the naval maneuvers at Norfolk, Va., is Aviation Mechanic Marilyn Krout, a former student at East Berlin High School, who is now stationed at Quonset Point, R. I. He is a son of Mr. and Mrs. George Krout, near Thomasville.

Drawn for duty on the York County jury at the sessions opening August 23 are the following residents of this area: Ann L. Gruver and William E. Wilt, Paradise Twp., and Norman W. Myers, Washington Twp. Among family reunions in this section was that of the Weichert-Weigard organization, conducted Sunday at the grove of Holtzschwamm Church.

Mr. and Mrs. Clayton Moul and

son, Rodman, and daughters, Florence and Jane-Elizabeth, who had lived in East Berlin for more than two years and before that in Abbotstown, have moved to York from the Calvin W. Deardorff house.

The infant son, Jeffrey Allen, born in May to Mr. and Mrs. Lloyd A. Bosserman, R. 1, was christened at recent services at Holtzschwamm Church by the Reformed pastor, the Rev. J. Keller Brantley. Also baptized were Jane Louise and Stephen Richard, children of Mr. and Mrs. Ray E. Myers.

Miss Margaret Ann Moul, on vacation from her voice studies at Juillard School of Music, New York, was among those entertained re-

cently at the lawn party at the Thomasville home of Mrs. Fannie D. Thomas, lyric baritone, acted as host.

30,000 PARADE IN HANOI FOR BASTILLE DAY

HANOI, Indochina (AP)—A crowd of 20,000 Vietnamese watched some 10,000 French and Vietnamese troops and hundreds of tanks and guns parade the streets of Vietnam-threatened Hanoi today.

Officially, the military display honored France's national holiday, Bastille Day, but obviously it also was designed to show the city of 600,000 that the French still are here in strength.

It was calculated to reassure pro-French Vietnamese who fear Hanoi will be given to the Communist-led rebels in the negotiations in Geneva or lost to them in a mass Red assault on the shrunken French holding in the Red River delta.

The parade also served to warn Vietnam sympathizers and extreme nationalists that the French have men and guns ready to put down any revolt that might flare if a cease-fire is signed.

For an hour and a half the pavement in front of the reviewing stand shook under marching feet and rumbling machines of war, the latter an impressive display of American war aid.

The Vietnamese meanwhile increased pressure on the northern and northwestern sides of the French defense perimeter of the Red River Delta.

Between Luc Nam and Phu Lang Thuong, about 28 miles north of Hanoi, the French-held post of camp Erulin was completely encircled. Arms, ammunition and food were parachuted yesterday to the French garrison.

Between Vietri and Vinh Yen, 30 miles northwest of Hanoi, several other posts were under strong rebel pressure. Sixty Vietnamese were reported killed in mop-up operations in that area yesterday.

More Vietnamese infiltrations also were reported in the Son Tay sector, 20 miles northwest of Hanoi.

French bombers and fighters made 150 sorties yesterday against Vietnamese troop concentrations and ammunition depots around the Delta.

Each American consumes about 3½ gallons of ice cream a year on the average.

Secretary of State John Foster Dulles, right, gestures as he talks with Britain's Anthony Eden, left, and French Prime Minister Pierre Mendes-France in the Hotel Matignon, Mendes-France's official residence, in Paris, July 13. The three went into a huddle at dinner shortly after Dulles' arrival from Washington and Mendes-France's return from Geneva where he talked with Red China's Chou En-Lai on a possible settlement of the Indochina problem. BIG 3 MEETS TO SURVEY ITS AGREEMENTS

PARIS (AP)—Walter Bedell Smith, U.S. undersecretary of state, will go to Geneva soon to represent the United States at the Geneva conference, a communique issued by the three Western big powers Foreign Ministers announced today.

By HARVEY HUDSON

PARIS (AP)—The Big Three Western Foreign Ministers stretched their two-day talks today to an unexpected afternoon session to have a final look at the agreements they have reached.

U.S. Secretary of State Dulles, British Foreign Secretary Eden, and French Premier Pierre Mendes-France are expected to go their separate ways after their afternoon's meeting at the U.S. ambassador's residence in Paris.

Dulles probably will return to Washington. Eden and Mendes-France will fly to Geneva to continue negotiations with the Communist powers for an Indochina cease-fire.

Outline Concessions

During the talks which started here yesterday evening, the three statesmen were believed to have outlined concessions which might be made to bring a halt to the fighting in Indochina. The ministers met alone again this morning, while a technical committee was putting this outline down on paper. There was no hint as to the peace

terms discussed.

Dulles is known to feel that France has the primary responsibility for settling the war, since she has carried the principal burden for almost eight years. As one source put it, the United States has furnished money, but money is no substitute for blood and lives and the United States should not try to dictate a peace settlement on the basis of its financial contribution.

Dulles Was Summoned

Dulles came to Paris after Eden and Mendes-France urgently requested his presence at the Geneva talks. Although apparently firm in his resolution not to go on to Geneva, the moral support his visit here gave the British and French ministers seems to have been enough to spark optimism about a final settlement.

Even after this morning's meeting, however, Dulles' final attitude on America's role in the talks was still left open for modification in the future.

The three ministers began today's sessions just before noon, meeting at the French Foreign Office.

Pass Up Parade

Before the Big Three conference, Dulles and Eden passed up the French capital's big Bastille Day parade down the Champs Elysees to confer together for an hour.

Earlier yesterday an authoritative British informant in London told newsmen the United States and Britain had "pretty well agreed" to accept a partition of Viet Nam on a line somewhere between the 16th and 18th parallels. But the informant added, "it may be that France will feel obliged to accept an agreement that we and the United States would regard as dishonorable."

3,000 ARE IDLE IN DOCK STRIKE

PHILADELPHIA (AP)—All handling of ship cargoes in the port of Philadelphia stalled today, idling about 3,000 longshoremen.

The shutdown was ordered by the Philadelphia Marine Trade Assn., employer group, after longshoremen yesterday refused to go to work on the SS. W. L. McCormick because of a pay dispute.

Dockworkers gathered this morning at the regular staging points along the waterfront, waiting to be hired, but stevedoring companies handed out no work slips. Several longshoremen asserted "Marine Trade has locked us out."

30 Ships Tied Up
About 30 ships are tied up in port, but not all are affected by the stoppage. Some are standing by for cargo, others await repairs. Still working in the port are more than 500 railroad car loaders, members of the International

Longshoremen's Assn., and clerks and checkers, also ILA members. Alfred Corry, executive secretary of the Marine Trade Assn., said no longshoremen of Local 1291, Philadelphia's deep-sea vessel longshore unit; coastwise shipping workers of Local 1332; nor longshoremen of Locals 1684, Wilmington, Del., and 1290, Chester, would be hired.

BOLTON LANDING, N. Y. (AP)—Pennsylvania's Gov. John S. Fine said today he is pressing the state's Turnpike Commission for "quick action" on two new Western Pennsylvania units of the toll road. One of the projects is a 50-mile connection in Erie County linking the Ohio and New York turnpikes. The other is a 70-mile north-south route from the existing western extension in the Pittsburgh area to Erie.

9,431 SIGNERS TO REFERENDUM IN READING

By LAWRENCE MCDERMOTT
Reading Eagle Staff Writer
READING, Pa. (P)—When Reading voters "get their Dutch up," they'll go all-out in their protests, put themselves to no end of inconvenience and, if necessary, make municipal history to defeat what they regard as an unwelcome councilmanic proposal.

They did it 40 years ago to void an ordinance which provided for the creation of a paid fire department and which they considered had been "railroaded" through City Council. They're doing it again to compel this city's Republican mayor, James B. Bamford, and his two GOP colleagues in council to submit to referendum a proposal for establishment of a water-sewer authority.

The method that Reading is using for the second time to slip a halter on action by council is the rarely used process of "initiative and referendum." It's invoked to compel councilmanic obedience by having a specific and required number of registered voters go to the clerk's office in City Hall and sign their names to a petition of protest.

Must Appear in Person
The signers must appear in person, and they must comprise at least 20 per cent of the total number who cast ballots in the last mayoralty election. If a sufficient number of voters inscribe their names, city council is required under the Clark Act—the law governing the administration of Third Class Cities—to submit the question to a referendum.

Since June 28—Sundays and the July 5 holiday excepted—Reading voters have been moving in the hard way to force the Republican members of Council to have the question of a water-sewer authority placed on the ballot at the Nov. 2 election. They acted at the behest of the two Democratic councilmen, Daniel F. McDevitt and Paul O. Wolf.

The office of City Clerk Ralph W. D. Levan was open on the 13 "signing days" from 8 a. m. to 10 p. m. The number of signatures fixed as the total required to make the petition successful was 7,146. There were three copies in the City Clerk's office to speed the signing.

9,431 Sign Petitions
At 10 o'clock last night, when the period for signing ended, 9,431 persons had affixed their names or made their marks on the petitions. The signers included several sightless persons whose hands had

Baby Squirrel Upsets Daily Home Routine

LINCOLN, Neb. (P)—A baby squirrel can disrupt the routine of a house as much as can an infant child. Mrs. Richard Lutz discovered. As foster mother to an orphaned squirrel, Mrs. Lutz fed it with a miniature bottle and nipple, even getting up every two or three hours at night for feedings.

When hungry, it cried "loud enough to wake the whole house," she said.

MESTA 'THROWS' ELABORATE BALL FOR 700 GUESTS

By JANE EADS
WASHINGTON (P)—Perle Mesta famed as the "hostess with the mostess," was just catching her breath after her first spectacular shindig since her return from five years abroad, an elaborate black-tie affair with more than 700 guests.

"Well, you had no trouble regaining your title as the capital's No. 1," I remarked.

"I never had a title, never pretended to have one," Mesta objected. "There is only one woman in Washington who is entitled to be called 'No. 1 hostess,' and that is the first lady in the White House and you can say I said so."

Loves To Party
Mrs. Mesta told me that, although "I love to give parties and have just as much fun as anyone, this one will have to do for awhile." She was off to fill a speaking engagement in Columbus, Ohio, and expects to spend July and August at her home in Newport, R. I.

The new Washington home which the former minister to Luxembourg is having renovated and decorated by a French firm won't be ready until late fall. Meanwhile the fabulous Perle is occupying a luxury apartment with her brother-in-law and sister, Mr. and Mrs. George Tyson. Mrs. Tyson, she said, is "having a lot of fun showing poodles—and she's got the best in the world."

Mrs. Mesta said she was feeling fine and had several plans in mind to keep her busy next autumn. "I'll be doing something—you know me," she said.

Into Wee Hours
The party glittering with luminaries, including Chief Justice Earl Warren and some 35 ambassadors, Cabinet and military officials, congressional figures and news and theatrical folk—began at 8 p. m. and didn't break up until 4 a. m.

Champagne flowed freely, and there were two lavish buffet tables. There was an orchestra for dance music, and some 25 violinists moved from one table to another playing gypsy tunes. Billy Worth who sang in London in "Call Me Madam" (the famed musical which the hostess inspired), and also sang at Perle's glamorous coronation ball in the British capital, sang with her husband, Donald Durr. Celeste Holm of "Oklahoma!" fame also gave forth.

to be guided as they wrote, invalids who were taken to City Hall in wheel chairs, and unlettered persons who scratched x's on the documents instead of their names. The city clerk now will check the signatures against the list of registered voters in the Berks County Court House, and, if his check shows that 7,146 or more of the signers are in fact registered voters, residents of this city at the November election will vote on the question of whether a water-sewer authority should be established.

Washington News Letter

By Jane Eads

WASHINGTON (P)—People love to go to parties at the foreign embassies, just to get a peek inside and taste the often exotic foods. Knowing this, many diplomats are generously loaning their residence for charity affairs and thus insur-

ing the benefits' success.

The handsome gardens of the British Embassy were opened for a party to raise funds for the Salvation Army Ladies' Auxiliary camp for underprivileged children. Mrs. Eisenhower sponsored the fête. Her sister, Mrs. Gordon Moore, and the Baroness Silvercruys, wife of the Belgian ambassador, were in charge of the flower booth, where Mamie Eisenhower carnations flown from Colorado were sold.

Cynthia and Mollie Makins, pretty twin daughters of Amba-

sador and Lady Makins, were crowned May Queens. Other diplomatic daughters, representing the 14 NATO countries, participated in a colorful Maypole dance.

Society Benefit
The Dominican Embassy was the scene of a Christ Child Society benefit. Mrs. Guilherme de Araujo, wife of the economic minister of the Brazilian Embassy, was chairman.

The Irish Embassy was loaned for a tea, bazaar and fashion show put on by the Mount Carmel Guild to raise funds to help with the edu-

cation of young priests at the Dis-

cated Carmelite Monastery.

One of Washington's oldest private charities, St. John's Orphanage, was benefited by a garden party held at the Peruvian Embassy. For several years the elegantly furnished French Embassy has been the setting for a gala ball given by Ambassador and Mrs. Henri Bonnet for the American Red Cross. Proceeds of this year's ball were to have gone to the benefit of wounded French troops in Indo-

china.

BABIES CAN TAKE IT

ANN ARBOR, Mich. (AP) Drs. Bruce D. Graham and Ruth M. Hayn of the University of Michigan say babies can overcome "almost incredible" physical handicaps in blood transfusions. Case studies, they say, show infants undergoing treatment to cure Rh ailments often have complete changes of blood. An adult would not survive a complete blood transfusion, they say.

CHILD BURNED

TUNKHANNOCH, Pa. (AP)—Two-year-old Dorris Ann Hodgen was burned fatally Monday when her dress caught fire, apparently from matches with which she was playing. The child tried to put out the flame by rolling in a pile of hay in a barn. The barn also caught fire and was destroyed.

FERGUS FALLS, Minn. (AP)—

Police went to the rescue when a housewife reported "some kids bawling something awful" in a car in front of her home. The officers found some young goats making a commotion in a nearby truck.

4TH YEAR PUPILS FASCINATED BY WEATHER STUDY

ARLINGTON, Va. (AP)—Fourth grade pupils at the Matthew Maury School have made a class project out of the weather. Homemade instruments give them basic data and they are so enthusiastic they like the rain because it gives them something to measure. Now some of the boys are asking their dads to help set up home weather stations.

Frank Federico, one of the fathers, a shoemaker, helped with the station in the school yard. Four tablespoons, a sink strainer and two broomsticks were cobbled into a gadget to measure wind speed. A vane shows wind direction. An open tin can on a broomstick is marked for rain measurement.

The inside of a thermos bottle, the lid of a tin can, a glass tube and a bottle top made a barometer. Federico also provided a dewpoint thermometer and rigged a wet bulb thermometer. Another old broomstick holds parallel wires. The children sight along them at clouds to check upper-air wind direction.

Miss Marguerite Bean, the teacher, has been taking up each of the instruments in turn, explaining how they are used. On the classroom wall is a big chart showing the daily readings from each.

Her 34 pupils find the readings fun and she hopes they soon can make their own weather forecasts. She says that reading, writing and arithmetic are being learned at the same time the weather data is recorded. The pupils use their new knowledge for class themes. And accuracy, an essential in weather readings, is also learned. Art classes are beginning to turn out pictures of clouds and even weather stations.

The boys helped assemble the instruments in the Federico basement. Now they are set up in a neat box on a post, which holds them at the proper height for the children.

The class takes the project seriously and has named a committee to supervise the work.

State Police Upheld In Test Speed Case

PHILADELPHIA (AP)—A Superior Court decision in a case involving two Waynesboro, Pa., men affirms the right of the state police to clock two speeding autos at the same time.

The court yesterday upheld the decision of Dauphin County Judge Homer L. Kreider who refused to dismiss the test case. Charged with speeding were Howard Goldsmith and Harry Phil Jr., both Waynesboro R.D. 2. They were fined \$10 and costs each after a state policeman arrested them on Rt. 22, east of Harrisburg in October 1952.

The state charged they were doing 65 miles an hour when the speed limit was only 50 at that time. Both were brought in by a single state policeman.

SKY HOOK

CRANFORD, N.J. (AP)—A retired fire ladder truck has a new career as a painter's scaffold. Chester Daugent, painter boss, says the 85-foot rig is ideal for repainting or painting steeples, flag poles, or any other job where a scaffold would be needed.

Gravediggers July 13 haul up body of Monty Ward Thorne, heir to mail order fortune, so that pathologists can make a reexamination of tissues in attempt to say what caused his death under mysterious circumstances June 19. At exhumation in Chicago are, from left, in background watching workmen: Coroner Walter McCarron (bow tie); Geoffrey Fleming, coroner's office attorney, and Norman Gibbons, chief deputy coroner. SAW FISH

CHESTER, Calif. (AP)—Workmen at a sawmill cut into a huge rotted log and out poured about 1,500 live fish from 1 to 8 inches long. The fish probably were trapped inside the log while it floated in the mill pond, sawmill men said.

SAFE DEPOSIT

INDIANAPOLIS (AP)—The prisoner, arrested on three charges, including drunken driving, was really "loaded." Bond was set at \$1,000. He pulled up his pants leg, pulled out a wad of bills from an artificial leg and counted out \$1,000.

Gov. John S. Fine of Pennsylvania (center) explains to Governors Frank Lausche, Ohio, left, and Walter J. Kohler, Wisconsin, right, why he wants the federal government to get out of the gas tax field. Fine spoke at the subject at morning meeting of Governors' Conference at Bolton Landing, N. Y., July 13. CATCH COMPARISON—Joseph Welch, right, who served as special Army counsel in McCarthy dispute, measures his striped bass with that of John Knowles, on outing at Cape Cod.

NEW YORK (AP)—When a bus halted for a Brooklyn traffic light, a passerby shouted to the driver that a cat had leaped under the machine. The driver got out and could hear mewing, but couldn't see the cat. He unloaded his passengers and called police. Two patrolmen and an agent of the Society for Prevention of Cruelty to Animals found the cat. But it took 55 minutes of maneuvering to induce the animal to leave the bus. Then the driver continued his trip.

country to keep a united front on fundamental principles with its chief allies, Britain and France. The President also made a formal announcement that South Korean President Syngman Rhee's July 26 visit to the United States will be for the purpose of making further plans for "the attainment of a unified, free and independent Korea."

On Other Topics

It was announced in Seoul earlier in the day that Rhee would visit Washington. Eisenhower's statement said he invited the South Korean President some time ago to make a state visit.

On other matters Eisenhower said: 1. He is not going to let his proposal for a limited share-the-atom program for peaceful purposes die if he can help it. This is the program he outlined before the United Nations last December. It calls for participation by the Russians as well as this country's allies. The President said he was sure British Prime Minister Churchill agreed with him the plan should not die even if some people—meaning the Russians—will not go along with it. His meaning seemed to be that an atomic pool without the Soviet bloc is a possibility.

2. He thinks the Senate Agriculture Committee made a grave error in voting to raise the support price of butter from 75 to 85 per cent of parity. This won't help the basic problem—selling more butter at a reasonable price—the President said, and the only people who will profit will be the middlemen who can sell their butter stocks to the government at a cost of a hundred million dollars or something of that kind to the taxpayers.

Fire Sweeps Old Mansion Near Pike

KING OF PRUSSIA, Pa. (AP)—Fire swept a huge old mansion near the eastern terminus of the Pennsylvania Turnpike today and at least nine firemen, battling the blaze in 90-degree heat, were made ill and required hospital treatment. All of the firemen were taken to Bryn Mawr Hospital. First reports did not indicate whether any were in serious condition.

Mrs. Edgar S. McKraig, wife of a prominent Philadelphia attorney, said damage to their home would exceed \$100,000. The 3½-story stone structure has been occupied by members of Mrs. McKraig's family for four generations. Furnishings included many valuable antiques.

MORE THAN HEFTY

MONTGOMERY, Ala. (AP)—The Montgomery Advertiser in a story about the arrest of Sam (Big John) Baxter on a concealed weapons charge referred to him as a "hefty, 300-pounder."

The night club bouncer demanded a correction, declaring: "I weigh 395 pounds and I'm proud of every pound."
